Decorative Paint Finishes

Downloaded from dev.gamersdecide.com by guest

KYLEIGH KERR

Decorative Paint & Faux Finishes Collins & Brown

A creative guide to using decorative paint finishes on everything from small objects and furniture to walls and floors. This fully illustrated book offers endless ideas -- as well as specific instruction -- for anyone wanting to enter the world of decorative painting. Step-by-step instructions, illustrated throughout with over 400 full-color photos, show the reader exactly how to achieve the desired finish. It's an inspirational and essential guide for both novice and experienced decorators.

50 Ways to Paint a Wall Touchstone

By the authors of *Decorative Paint Techniques*, this book aims to answer the need of more sophisticated readers, nostalgic for the authentic paints, colours and effects of the past. Practical instruction is given on using traditional paints and on decorating, painting and ageing furniture to blend with traditional decorative schemes. There are step-by-step photographs on milk and organic paints, limewashing, gesso, tempera, decoupage and crackle-varnish, and photographs and still-life spreads of pigments and ingredients, to illustrate the use of traditional paints and authentic colours in houses from different periods and countries. Also included is information on what paints are available in the UK and USA, where to obtain and how to use them, and simple organic paint recipes.

Decorative Painting Creative Homeowner

Inspired by beautiful photos, discover dozens of ways to personalize your home furnishings.

Decorative Painting guides you through each painting technique with step-by-step photos.

Recipes for Surfaces Northlight

"Recipes for Surfaces" is a one-of-a-kind handbook that enables you to master decorative painting techniques for walls, floors, ceilings, and furniture as simply as you would use a cookbook: just follow the recipes. This easy guide will show you how to create a variety of exciting surface effects for your entire home using the basic methods so popular today -- sponging, ragging, stippling, color washing, spattering, dragging, stenciling, marbling, and wood graining. The straightforward format of "Recipes for Surfaces" gives you the tools to transform any aspect of your home with paint. More affordable than wallpaper, more personalized than solid-colored opaque paint, these painting techniques -- once the closely guarded secrets of painting professionals -- are not limited to walls, ceilings, or floors, but can be used on moldings, doors, and furniture as well -- as accents or to try out effects on smaller subjects. With "Recipes for Surfaces" as your guide, you can achieve professional and customized effects yourself -- with a lot of fun and no hassle. What makes this book so special and so different from many home decorating books is that -- like making a meal with your favorite recipes -- it allows, and in fact encourages, you to create a completely personal look that suits your own space, style, and budget. And, as your skill and confidence grow, "Recipes for Surfaces" will show you how to move beyond the basics with exciting and unique variations. "Recipes for Surfaces" is organized for practical use, with clear concise explanations and full-color

illustrations. Part One gives background and specific information on color, paint, and preparation, including advice on stocking up on the right paints and brushes, how to ready surfaces for painting, and how to store paints once you've finished. Helpful color charts supplement the discussion of how to mix and match colors for your taste and needs. The second part of the book illustrates many painting techniques. Each of over 40 recipes can be followed independently and is rated according to difficulty from easy to more complex. The recipe itself includes a list of paints and other materials needed, tips on surfaces best suited to the technique, and painting advice -- all in a simple-to-read chart right on the page. Detailed step-by-step instructions outline each method and its variations with full-color photographs. As you master a fundamental recipe -- such as sponging on -- you can create many different looks, trying different colors and patterns with the same technique or combining various techniques to suit your needs. The clearest, most concise guide of its kind, "Recipes for Surfaces" gives you the confidence and ability to create the painted interior that's right for "you."

Recipes for Surfaces Fox Chapel Publishing

Features more than 30 clear, concise recipes for everything from marble and metallic finishes to specialty finishes with stunning full-color photographs.

The Handbook of Painted Decoration Pantheon

The essential reference for amateur and professional alike, *The Handbook of Painted Decoration* is the first book to cover the whole spectrum of trompe l'oeil decorative painting, from classic marbling and wood graining to ancient techniques of decorative painting that have been nearly forgotten.

The Faux Finish Artist Sunset Books/Sunset Publishing Corporation

Outdoor Paint Techniques and Faux Finishes shows beginning and advanced decorators how to revitalize their outdoor environment with weatherproof paint effects. Colorful, inspirational and practical, it guides the reader through a series of 25 decorative finishes ideal for external walls, floors and woodwork. This book features a wide variety of stunning effects for five surfaces: plaster, cement, wood, metal and stone. The authors cover a wide variety of paint effects including stucco, faux tiles, frescos, lime washing, verdigris, moss effects and more. They introduce new decorative finishes that can withstand the forces of nature as effectively as traditional exterior paints, with advice on surface preparation, color usage and recommended equipment. Clear text and detailed step-by-step photographs make it easy to create beautiful embellishments that make a personal decorating statement.

The Complete Book of Decorative Paint Techniques Rockport Publishers

How to achieve beautiful paint finishes, including sponging, dragging, stippling, distressing and lacquering. An expert guide to the paints, varnishes, brushes, rollers and specialist tools you will need to achieve decorative paint effects.

The Art of Faux Booksaes

One of Britain's leading decoupage artists takes readers step-by-step through the art of decoupage, presenting more than 60 projects and dozens of ideas for variations to suit individual tastes and complement specific decorating schemes. Full-color photographs and detailed instructions show how to make wondrous treasures out of everyday objects.

Decorative Paint & Faux Finishes Reader's Digest Association

A creative guide to using decorative paint finishes on everything from small objects and furniture to walls and floors. This fully illustrated book offers endless ideas -- as well as specific instruction -- for anyone wanting to enter the world of decorative painting. Step-by-step instructions, illustrated throughout with over 400 full-color photos, show the reader exactly how to achieve the desired finish. It's an inspirational and essential guide for both novice and experienced decorators.
