Invest my money?  
Forget it. Who knows  
which way the stock  
market is headed? And  
I just plain don't know  
how to do it. I'll stick  
my paycheck in the

bank, keep my credit card debt as low as I can, and worry about my financial future when I have some extra money. Besides, there's always Social Security, right? **WRONG**, according to the authors of *The Armchair Millionaire* (and the geniuses behind the *Armchair Millionaire* Web site), whose philosophy is simple: if your money isn't working for you, then you'll be working a lot longer than you want to. In plain English, Lewis Schiff and Douglas Gerlach, along with real-life cyber-Armchair Millionaires, show you how to save without budgeting the fun out of life, and invest wisely without losing sleep over your portfolio. "Five Steps to Financial Freedom" will

make it easy for you to build an investment portfolio and help you to: **PAY LOWER TAXES:** Why and how to give to your IRA or 401(k) until it hurts. **PAY YOURSELF FIRST:** The secret to building a nest egg is to treat your savings like you treat any bill -- put your financial future at the top of the list of regular monthly payments. **GET THE MOST FOR YOUR MONEY:** "Dollar-cost averaging" has been the most successful investment timing method ever used by the pros. Find out how to make it work for you. **BUILD YOUR PLAN:** Forecast when you'll reach your million-dollar goal with a personalized financial action plan. **DISCOVER THE TRUTH BEHIND WHY YOU MUST START INVESTING FOR YOUR**

FUTURE TODAY: Find out why compounded interest is often called the key to successful wealth-building. Packed with practical advice, personalized tools such as user-friendly worksheets, and actual stories of ordinary people who have built extraordinary portfolios using these methods, *The Armchair Millionaire* will show you how to get on the road to financial independence at last. *Public Service Bonus Books, Inc.* Master the art of wealth building, and make money the way millionaires do! There are only two things millionaires have that you don't: wealth and the knowledge to build wealth. But that's all about to change. Thanks to "Millionaire

Maker" Loral Langemeier, you can develop the same financial intelligence that millionaires use to create, grow, and sustain their fortunes. Regardless of your income—and in as little as one year—the exclusive wealth-building method in *The Millionaire Maker* can have you generating enough money to Quit your job and start doing the things you love Control and then eliminate your debt no matter how much you owe Live your life on your schedule—instead of your employer's Loral Langemeier has already shown thousands of people how to tailor her proven wealth-building program to their individual needs, no matter what their financial

condition—and she can do it for you too. As a hardworking single mom, Loral developed a process of transforming her income into assets, and assets into income that in turn created even more assets—something she calls the Wealth Cycle. Using her program, you'll learn how to build your own continually growing cycle of wealth by Engaging in business ventures that generate passive income Substantially decreasing your tax burden Forming trusts, corporations, and partnerships to protect your assets and create a nonstop revenue stream You'll also gain free access to many of the resources and investment advisors previously available

only to those who sign up for Loral's world-famous Live Out Loud ([www.liveoutloud.com](http://www.liveoutloud.com)) seminars and workshops. To live the life you've always wanted, all you need is a sincere commitment to building wealth and a proven system to make it happen—which you'll find only in The Millionaire Maker.

He just wants to save on toothpaste. Betting he can make a gallon of his own for the same price as one tube from the store, Rufus

develops a step-by-step production plan with help from his good friend Kate MacKinstrey. By the time he reaches the eighth grade, Rufus makes more than a gallon--he makes a million This fun, breezy story set in 1960s Cleveland, Ohio contains many real-life mathematical problems which the characters must solve to succeed in their budding business. Includes black-and-white illustrations by Jan Palmer. This edition includes an exclusive author interview and reader's guide with book summary and discussion questions. *Office Appliances; The Magazine of Office Equipment* Princeton University Press Before the Computer fully explores the data

processing industry in the United States from its nineteenth-century inception down to the period when the computer became its primary tool. As James Cortada describes what was once called the "office appliance industry," he challenges our view of the digital computer as a revolutionary technology. Cortada interprets reliance on computers as a development within an important segment of the American economy that was earlier represented largely by such instruments as typewriters, tabulating machines, adding machines, and calculators. He also describes how many of the practices of the office appliance industry evolved into those of the computer

world. Drawing on previously unavailable industry archives, the author adds to our understanding of IBM's early history and offers short corporate histories of firms that include NCR, Burroughs, and Remington Rand. Focusing on the United States but also including comparative material on Europe and Asia, *Before the Computer* will be a unique source of knowledge about the companies that built office equipment and their enormous impact on economic life. ### **The Lifetime Money Machine** Money Is Power

10TH ANNIVERSARY EDITION Is the financial plan of mediocrity -- a dream-stealing, soul-sucking dogma known as "The Slowlane" your plan for creating wealth? You know how it goes; it sounds a lil something like this: "Go to school, get a good job, save 10% of your paycheck, buy a used car, cancel the movie channels, quit drinking expensive Starbucks mocha lattes, save and penny-pinch your life away, trust your life-savings to the stock market,

and one day, when you are oh, say, 65 years old, you can retire rich." The mainstream financial gurus have sold you blindly down the river to a great financial gamble: You've been hoodwinked to believe that wealth can be created by recklessly trusting in the uncontrollable and unpredictable markets: the housing market, the stock market, and the job market. This impotent financial gamble dubiously promises wealth in a wheelchair -- sacrifice your adult life for a financial plan that reaps dividends in the twilight of life. Accept the Slowlane as your blueprint for wealth and your financial future will blow carelessly asunder on a sailboat of HOPE: HOPE

you can find a job and keep it, HOPE the stock market doesn't tank, HOPE the economy rebounds, HOPE, HOPE, and HOPE. Do you really want HOPE to be the centerpiece for your family's financial plan? Drive the Slowlane road and you will find your life deteriorate into a miserable exhibition about what you cannot do, versus what you can. For those who don't want a lifetime subscription to "settle-for-less" and a slight chance of elderly riches, there is an alternative; an expressway to extraordinary wealth that can burn a trail to financial independence faster than any road out there. Why jobs, 401(k)s, mutual funds, and 40-years of mindless frugality will

never make you rich young. Why most entrepreneurs fail and how to immediately put the odds in your favor. The real law of wealth: Leverage this and wealth has no choice but to be magnetized to you. The leading cause of poorness: Change this and you change everything. How the rich really get rich - and no, it has nothing to do with a paycheck or a 401K match. Why the guru's grand deity - compound interest - is an impotent wealth accelerator. Why the guru myth of "do what you love" will most likely keep you poor, not rich. And 250+ more poverty busting distinctions... Demand the Fastlane, an alternative road-to-wealth; one that actually ignites dreams

and creates millionaires young, not old. Change lanes and find your explosive wealth accelerator. Hit the Fastlane, crack the code to wealth, and find out how to live rich for a lifetime.
