Learn to Channel your Guides explains the essential techniques of channeling, explores the different approaches to channeling and gives exercises to develop sensitivity to working with guides. There is a focus on overcoming

the normal problems many students experience when learning to channel. Paul uses effective and practical methods to teach channeling in order that students have the best opportunities to progress with their development. This approach recognises that everyone has different abilities and the book explores how to make the best use of these. The relationships that we have with our Spiritual Guides are special. Through Channeling we can receive their messages, information and guidance. This activity naturally leads to personal spiritual growth. Prophets, gurus and sages have used channeling in the past. Now we all have the opportunity to

channel for ourselves in ways that reflect the modern age and cater for our personal requirements Paul McCarthy is an International Channel and he has given thousands of readings and demonstrations of channeling to people all around the world. Paul gives workshops on the subjects of Channeling, Star Seeds and Ascension. His previous books focus on Star Seeds and Ascension.

The extraordinary, groundbreaking novel from Laurie Halse Anderson, with more than 2.5 million copies sold! The first ten lies they tell you in high school. "Speak up for yourself--we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a

big fat lie, part of the nonsense of high school. She is friendless, outcast, because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. As time passes, she becomes increasingly isolated and practically stops talking altogether. Only her art class offers any solace, and it is through her work on an art project that she is finally able to face what really happened at that terrible party: she was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. Her healing process has just begun when she has another violent encounter with him. But this time Melinda fights back, refuses to

be silent, and thereby achieves a measure of vindication. In Laurie Halse Anderson's powerful novel, an utterly believable heroine with a bitterly ironic voice delivers a blow to the hypocritical world of high school. She speaks for many a disenfranchised teenager while demonstrating the importance of speaking up for oneself. *Speak* was a 1999 National Book Award Finalist for Young People's Literature.

Combining the practical advice of Harville Hendrix with the spiritual guidance of Thomas Moore, it shows couples how their relationships can help them discover their sacred selves in

such chapters as "The Power of Truth-Telling", "The Inner Marriage", "Men In Relationship" and "Soulwork and Sacred Combat". Along the way, it provides a wealth of practical guidance on how to deal with difficult problems and includes lively dialogues from Welwood's workshops that dynamically illustrate his core ideas. Men and women are searching for deeper meaning and purpose in their everyday lives and relationships. Love and Awakening fills this need. It is a book couples will want to read together.

Opening to God Earth Life Series

A #1 New York Times Bestseller and New York Times Book Review Editors' Choice! Legendary storyteller

Stephen King goes into the deepest well of his imagination in this spellbinding novel about a seventeen-year-old boy who inherits the keys to a parallel world where good and evil are at war, and the stakes could not be higher—for that world or ours. Charlie Reade looks like a regular high school kid, great at baseball and football, a decent student. But he carries a heavy load. His mom was killed in a hit-and-run accident when he was seven, and grief drove his dad to drink. Charlie learned how to take care of himself—and his dad. When Charlie is seventeen, he meets a dog named Radar and her aging master, Howard Bowditch, a recluse in a big house

at the top of a big hill, with a locked shed in the backyard. Sometimes strange sounds emerge from it. Charlie starts doing jobs for Mr. Bowditch and loses his heart to Radar. Then, when Bowditch dies, he leaves Charlie a cassette tape telling a story no one would believe. What Bowditch knows, and has kept secret all his long life, is that inside the shed is a portal to another world. King's storytelling in *Fairy Tale* soars. This is a magnificent and terrifying tale in which good is pitted against overwhelming evil, and a heroic boy—and his dog—must lead the battle. Early in the *Pandemic*, King asked himself: "What could you write that would make you happy?" "As

if my imagination had been waiting for the question to be asked, I saw a vast deserted city—deserted but alive. I saw the empty streets, the haunted buildings, a gargoye head lying overturned in the street. I saw smashed statues (of what I didn't know, but I eventually found out). I saw a huge, sprawling palace with glass towers so high their tips pierced the clouds. Those images released the story I wanted to tell."
