German Christmas Carols with Lyrics in

English and in German. In this edition we have assembled 36 traditional German Christmas carols, partly from Christian hymnbooks, partly from traditional folklore. A number of carols have been rendered into English for the first time, some existing English versions have been revised, and some have been taken over as they were. The German stanzas are provided next to the English version. There are also two alphabetical lists of the carols with both the English/German and the German/English first lines. Here are the first lines of the carols included: A Time Has Come Right for Us All the World, All Stars May Cheer

 Christmas Carols Mixed Choir (SATB)" is
 just one in a series of JOIN IN-MUSIC
 music books for a large number of
 instruments and singers. JOIN IN-MUSIC
 is designed to allow different
 combinations of instruments and singers
 to come together and perform Christmas
 carols: string and wind instruments can
 join in with a choir, instrumental duos
 and trios can be formed, or singers can
 be accompanied by the piano or the
 organ. JOIN IN-MUSIC makes it easy for
 any musical group, be it in school, in
 church, in your community or in your
 home, to play together right away: the
 music of all the books is compatible. Any

instrument can play the tune or the second or third voice, and all voices, including the score for the piano, are set in easy music. Thus the carols can come to life without extensive practicing.

 for Every Choir Heritage Music Press

Music and texts of 201 carols for the
 Christmas season (many in more than
 one setting), each with copious notes on
 historical background and performance.
 An extensive general introduction gives
 an overview of the history of the carol,
 and there are a number of appendices
 dealing with specific areas of the
 repertory. The book's approach is an
 attempt to rediscover the native vitality
 of material that has sometimes been
 debased and sentimentalized, by means
 of `authentic' period settings and a
 concern for historically informed
 performance.

Creative programming at its best, this thirty-second piece can also be utilized as an effective warm-up exercise and is a terrific introduction to independence of parts as well as an opportunity to teach dramatic contrasts. New to this vocal scoring is the addition of a supportive piano accompaniment.
