Psychotherapist Kate Huntington helps other people cope with the horrible things that have happened to them, but she herself has led a charmed life... until now. When a series of what seem like random events—a matter of being in the wrong place at the wrong time—takes a sinister twist, it becomes apparent that she and her lawyer friend, Rob Franklin,

have a common enemy. But the lead police detective has a different theory. He's convinced Kate and Rob are lovers attempting to eliminate their spouses. And he seems determined to build a case against them. As the attacks escalate, Kate and Rob are forced to investigate on their own. Who hates them enough to want them both dead? And doesn't seem to mind if others get caught in the crossfire! The Kate Huntington Murder Mysteries features a gutsy, smart female sleuth! Fans of Blake Pierce, Kimberley Chambers,

The Beach House Mystery HarperCollins

In the village where "all are welcome and those in need may stay," long-buried secrets keep rising to the surface. With renovations on the house finally complete, Jayne and Tripp are ready to open their B&B. Villagers and tourists gather for their grand opening barbecue. Close friends check in as their first guests. Aside from a minor glitch or two, everything is going to plan ... and then someone turns up dead on the side of the road. Unsure if she's looking for a murderer or a hit-and-run driver, Jayne jumps headlong into figuring out what happened. Her confidence is shaken, though, when some of the locals point out that the rash of murders started when she arrived in the village,

insinuating that she brought the darkness hovering over Whispering Pines. Now, in the middle of a possible murder investigation, Jayne must clear her own name as well.

Kept Secrets Litres

As the vernal equinox brings welcome warmth and the promise of the coming tourist season to Wisconsin's Northwoods, it also brings an invading Wiccan coven. Sheriff Jayne O'Shea isn't worried about the witches. It's the fact that her mother is coming for her first visit in nearly twenty years that has her on edge. Their reunion goes well, better than expected, and then a coven member disappears. The other members don't seem concerned. In fact, they're so indifferent to the disappearance, Jayne is sure she's searching for a body, not a

missing person. The possibility of another death in the village is bad enough, but this one could mean the end for Whispering Pines. If Jayne can't get her mom to see the lakeside community's charming appeal, it will go up for sale. What Readers Are Saying "I can clearly see the thatched roof houses, their wood and stucco exteriors. It reminds me of Shakespeare's house in London." "I've read them all and just want to go back." "I wish Whispering Pines was a real place" "If you enjoy honest, rather raw characters seeking direction, and the consequences of past mistakes, you'll enjoy this series as much as I have." "My mind is still in Whispering Pines. I can clearly see the thatched roof houses, their wood and stucco exteriors. It reminds me of

Shakespeare's house in London." "I really enjoy how the characters continue to evolve in this series and the new eccentrics fit right in!" "I totally fell in love with both the village and the story." "I would gladly plan my next trip to Whispering Pines." A murderer could be around every corner in this thrilling YA trilogy based on the board game CLUE! When a storm strikes at Blackbrook Academy, an elite

prep school nestled in the woods of Maine, a motley crew of students—including Beth “Peacock” Picach, Orchid McKee, Vaughn Green, Sam “Mustard” Maestor, Finn Plum, and Scarlet Mistry—are left stranded on campus with their headmaster. Hours later, his body is found in the conservatory and it’s very clear his death was no accident. With this group of students who are all hiding something, nothing is as it seems, and everyone has a motive for murder. Fans of the CLUE board game and cult classic film will delight in Diana Peterfreund’s modern reimagining of the brand, its characters, and the dark, magnificent old mansion with secrets hidden within its walls.

It's been almost a year since Sheriff
Jayne O'Shea arrived in Whispering
Pines. Deciding to stay was the best
decision she ever made, but the closer
the anniversary gets, the gloomier she
feels. It doesn't help that she and Tripp
have been arguing. Neither does the
dense fog blanketing the village. Or the
group of cranky wedding planners
staying at the B&B. Trying to organize an
outdoor event when the weather won't
cooperate is understandably stressful,
but their constant bickering is pushing
everyone to the edge. Then, as the fog

grows impossibly thicker, things take a turn for the worse when a villager becomes gravely ill. The cause is a mystery, but the rumor going around is that she was hexed or cursed.

Considering half the residents are witches, that isn't surprising. While Jayne doesn't believe magic is involved, she's positive about her suspect. Now, all she needs is proof.

A Whispering Pines Short Mysteries

Collection #1 Whispering Pines

In this “creepy-crawly...easy to get lost in” (Kirkus Reviews, starred review) second book in the Whispering Pines middle grade series, Rae and Caden take on flesh-eating centipedes that may be alien in nature—perfect for fans of *Stranger Things!* Caden's brother Aiden is many things: clever, powerful,

vindictive. Unforgiving. And now, he's also mysteriously free from the hellish dimensional prison that Caden had trapped him in. Caden is sure that Aiden is out for revenge, but since his parents refuse to see the danger when it comes to his brother, he'll have to find a way to survive on his own. Meanwhile, Rae, freed from the threat of the eye-snatching, monstrous Unseeing, has once again turned all her focus toward finding her missing father. She believes the town's shady alternative energy company, Green On!, might have the information she seeks, so she joins their internship program to get answers. Unfortunately, this means sacrificing her friendship with Caden, who wants nothing to do with Green On! or anyone associated with it. When a special

assignment from Rae's internship leads her to uncover an infestation of giant, flesh-eating centipedes that may be alien in nature, she needs to convince Caden to help her get rid of them. The two friends must learn to work together again, because this time, it's not just Whispering Pines's fate that hangs in the balance, but the world's.

A Russian cargo ship sinks in the shallow waters of the Bering Strait, and somehow vanishes without a trace. In the Colorado Plateau Desert, a cowboy follows a river of sand into an undiscovered ruin. A tunnel-boring operation between the Alaskan and Siberian peninsulas is stalled when its largest burrowing machine disappears into an abyss. Sam Reilly leads a search

and rescue mission for the missing ship and crew. What should be a simple operation quickly turns into something much more dangerous. He soon learns that all three strange events are irrevocably interwoven, and unlocking their connection may just hold the key to the survival of the human race.

After solving the case of Truly Devious, Stevie Bell investigates her first mystery outside of Ellingham Academy in this spine-chilling and hilarious stand-alone mystery from New York Times bestselling author Maureen Johnson. Amateur sleuth Stevie Bell needs a good murder. After catching a killer at her high school, she's back at home for a normal (that means boring) summer. But

then she gets a message from the owner of Sunny Pines, formerly known as Camp Wonder Falls—the site of the notorious unsolved case, the Box in the Woods Murders. Back in 1978, four camp counselors were killed in the woods outside of the town of Barlow Corners, their bodies left in a gruesome display. The new owner offers Stevie an invitation: Come to the camp and help him work on a true crime podcast about the case. Stevie agrees, as long as she can bring along her friends from Ellingham Academy. Nothing sounds better than a summer spent together, investigating old murders. But something evil still lurks in Barlow Corners. When Stevie opens the lid on this long-dormant case, she gets much more than she bargained for. The Box in

the Woods will make room for more victims. This time, Stevie may not make it out alive. * Cosmopolitan Best YA Books of 2021 * People Magazine Best Books of Summer 2021* *Ty's Obsession* Createspace Independent Publishing Platform Sometimes what's need most is hiding in plain sight. Heal yourself or save the people you're sworn to protect? In Whispering Pines, even downtime can be deadly. The quiet time of year as settled over Whispering Pines. For months, Sheriff Jayne O'Shea had been looking forward to a little R&R but now she's not so sure. What's she supposed to do with herself? Take up knitting? When a brawl breaks out at the local pub during the Thanksgiving gathering, a patron is critically wounded. Not the kind of distraction Jayne was looking for. There's a long list of

suspects, but she's fairly certain it was one of the vigilantes who came to save the village from "that lady sheriff who doesn't know her job." But it might be someone from the growing group of villagers who aren't happy with their sheriff's performance. Or maybe it's someone who's not even on her list. The one thing Jayne knows for sure is if she doesn't get a handle on things, it could be time for her to turn in her badge. The Whispering Pines Mystery Series

Everyone has a wish. Desiree's just got real. For years eighteen-year-old Desiree has been living in a sort of limbo, granting wishes for others while never receiving her own. Now it's the hippie-genie's turn and she's finally going to get what she asked for so long ago, a second chance at life. She has two options: moving forward or going back. Moving forward means no longer being a genie, going to college, and living the independent life she's dreamt about for so long. Going back means returning to 1968 to when her best friend, brother, and parents are still alive. But would she get to fix her mistakes or be forced to live through them for a second time?

Complicating things further is the fact that both choices take her away from Kaf. And that's a huge problem because falling in love with her exasperating boss was the last thing Desiree expected.

Gemi's sister is missing. Ashlyn left on a business trip two weeks ago. Gemi hasn't heard a word from her since the day she was supposed to come home. Not a phone call, not an email, not a single-emoji text. Desperate, tired of all the secrets Ash has been feeding her, and terrified something horrible has happened, Gemi searches Ashlyn's bedroom. Hidden in Ash's closet, Gemi finds a calendar filled with mysterious appointments. Most intriguing are two unfamiliar . . . words? Places? Names? One appears every week going back

more than a year. It's not much, but Gemi has a lead. She should ask for help. She knows that. Going rogue will be much faster than waiting for the cops, though. But when she finds herself surrounded by yakuza crime bosses, Gemi fears she may be in over her head.

The Northwoods village of Whispering Pines used to be a safe haven for outsiders, but after three deaths in two months, it's become a hotbed of murder. Exhausted from being the only law enforcement official on duty, while also trying to open a bed-and-breakfast, Jayne O'Shea welcomes the escape she finds in her grandmother's journals. Each entry gives her a deeper understanding of why her grandparents moved to the secluded spot so long ago. But as questions are answered, deeply hidden secrets are unearthed. If Jayne can put all the pieces of this puzzle together, she'll not only learn the truth behind her grandmother's death, she'll catch a killer

who's been wandering the village for forty years.

The fun continues in book #3 of the Samantha Wolf Mysteries! What should be a quiet week at the beach turns into the most challenging mystery that Sam and Ally have uncovered yet. What's the truth behind the odd family renting the cabin next-door? Is the tale of a sea creature and haunted lighthouse just a myth? How does a missing girl, and suspicious boat tie into all of it? The girls can't solve this puzzle on their own, so they turn to their brothers for help. Travel with them to the scenic Washington Coast and into the Olympic Rainforest, where the four have to work together to untangle the clues and fit the mysterious pieces together.

Everyone deserves happiness. Is Robin the exception? A cross-country move to a new state offers Robin Westmore the chance to get away from the relentless bullies and reinvent himself. But on the first day at his new high school Robin finds himself in front of Zane, the school's star pitcher and chief tormentor, at the exact wrong moment and right back into the role of victim. Hopeless, he wishes for it all to stop. When Desiree, the new leader of the genies, grants Robin's wish he's sure things are finally going his way. But problems in the magical realm mean Desiree is distracted and unable to give Robin the attention he needs. As Desiree hides from her responsibilities, Robin disappears into the video game he's

created. There he finds excitement, adventure, and control. When the game presents him with a real escape from his tortured life, will he take it?

Rival Secrets Whispering Pines

Tucked next to a pristine lake, the part-Medieval Europe, part-Renaissance Faire hamlet of Whispering Pines, Wisconsin is a utopia . . . except for the recent murders. One month after arriving in the Northwoods, former detective Jayne O'Shea has settled comfortably into small-town life and is making good progress with her task of getting her grandparents' house ready for sale. Then the shocking death of one of the carnies rocks the community, and the villagers look to Jayne for help, placing her in an impossible middle ground of not wanting to get involved and needing to ensure

justice is served. When a second carney turns up dead, and the newly hired sheriff-more concerned with ticketing tourists than catching the killer-dismisses the death as an accident, Jayne has no choice but to step in. Can she uncover the truth before the murderer strikes again?

What if the best decision you ever made was also the worst? The new tourist season is about to start. The witches, carnies, fortune tellers, and other lovable outcasts of Whispering Pines are abuzz with excitement. Sheriff Jayne O'Shea, however, is nervous. After their tragic last season, the lakeside hamlet became known as the Murder Capital of Wisconsin, and she would love to

redeem their reputation. Everyone has assured her they're ready and that it's going to be a great opening weekend, but Jayne can't shake the feeling that something is wrong. Then, just as waves of happy tourists start to arrive, villagers go missing one by one. This is the showdown Jayne has been preparing for. She knows who's responsible, but before catching the kidnapper, she first needs to save the victims. That means releasing control and letting others step up because this time she's too close. Failure could mean the end for those she loves most. Readers LOVE this Series: "I can clearly see the thatched roof houses, their wood and stucco exteriors. The Box in the Woods Independently Published

The Nature of the Beast is a New York Times bestselling Chief Inspector Gamache novel from Louise Penny. Hardly a day goes by when nine year old Laurent Lepage doesn't cry wolf. From alien invasions, to walking trees, to winged beasts in the woods, to dinosaurs spotted in the village of Three Pines, his tales are so extraordinary no one can

possibly believe him. Including Armand and Reine-Marie Gamache, who now live in the little Quebec village. But when the boy disappears, the villagers are faced with the possibility that one of his tall tales might have been true. And so begins a frantic search for the boy and the truth. What they uncover deep in the forest sets off a sequence of events that leads to murder, leads to an old crime, leads to an old betrayal. Leads right to

the door of an old poet. And now it is now, writes Ruth Zardo. And the dark thing is here. A monster once visited Three Pines. And put down deep roots. And now, Ruth knows, it is back. Armand Gamache, the former head of homicide for the Sûreté du Québec, must face the possibility that, in not believing the boy, he himself played a terrible part in what happens next.
