#### **Twenty Love Poems and a Song of Despair**

John Wiley & Sons

With some hesitation I have included literal versions of six poems (three of the "Seventeen Old Poems," "Autumn Wind," "Li Fu jen," and "On the Death of his Father") already skilfully rhymed by Professor Giles in "Chinese Poetry in English Verse." They were too typical to omit; and a comparison of the two renderings may be of interest. Some of these translations have appeared in the "Bulletin of the School of Oriental Studies," in the "New Statesman," in the "Little Review" (Chicago), and in "Poetry" (Chicago). With some hesitation I have included literal versions of six poems (three of the "Seventeen Old Poems," "Autumn Wind," "Li Fu jen," and "On the Death of his Father") already skilfully rhymed by Professor Giles in "Chinese Poetry in English Verse." They were too typical to omit; and a comparison of the two renderings may be of

interest. Some of these translations have appeared in the "Bulletin of the School of Oriental Studies," in the "New Statesman," in the "Little Review" (Chicago), and in "Poetry" (Chicago).

**Metamorphoses** New Directions Publishing  
A groundbreaking multilingual collection promoting a global poetic consciousness, this volume presents the works of 20 international poets, all in their original languages, alongside English translations by some of Canada's most esteemed poets. Providing an introductory statement about the translation process of each poem, translating poets include Canadians Ken Babstock, Dionne Brand, Nicole Brossard, Barry Callaghan, A. F. Moritz, and Paul Vermeersch, among others; while subjects include poems by Pablo Neruda, Horace, Ezra Pound, Arthur Rimbaud, Alexander Pushkin, and Rainer Maria Rilke. Spanning several time periods and more than a dozen nations, this compendium paints a truly unique portrait of cultures, nationalities, and eras.

#### Twenty Love Poems and a Song of Despair Penguin

Ovid's magnificent panorama of the Greek and Roman myths-presented by a noted poet, scholar, and critic. Prized through the ages for its splendor and its savage, sophisticated wit, *The Metamorphoses* is a masterpiece of Western culture-the first attempt to link all the Greek myths, before and after Homer, in a cohesive whole, to the Roman myths of Ovid's day. Horace Gregory, in this modern translation, turns his own poetic gifts toward a deft reconstruction of Ovid's ancient themes, using contemporary idiom to bring to today's reader all the ageless drama and psychological truths vividly intact.

*The Poems of Exile* New Directions Publishing  
Pablo Neruda's two books - 100 Love Sonnets and *Twenty Love Poems and a Song of Despair* are kept in one book.

#### **The Exile Book of Poetry in Translation**

Exile Editions, Ltd.  
Here, translated into modern idiom, are many works of the authors whose ideas have consitituted the

mainstream of classical thought. This volume of new translations was born of necessity, to answer the needs of a course in Greek and Roman culture offered by the Department of Integrated Liberal Studies at the University of Wisconsin. House of Lords and Commons Exile Editions, Ltd.

Rexroth, *More Classics Revisited*. the second volume of Rexroth's Classics essays.

Twenty Thousand Leagues Under the Sea Oxford University Press, USA

In the first century a.d., Ovid, author of the groundbreaking epic poem *Metamorphoses*, came under severe criticism for *The Art of Love*, which playfully instructed women in the art of seduction and men in the skills essential for mastering the art of romantic conquest. In this remarkable translation, James Michie breathes new life into the notorious Roman's mock-didactic elegy. In lyrical, irreverent English, he reveals love's timeless dilemmas and Ovid's enduring brilliance as both poet and cultural critic.

*The Love Poems* New Directions Publishing  
Sensual, earthy love

poems that formed the basis for the popular movie *Il Postino*, now in a beautiful gift book perfect for weddings, Valentine's Day, anniversaries, or just to say "I love you!" Charged with sensuality and passion, Pablo Neruda's love poems caused a scandal when published anonymously in 1952. In later editions, these verses became the most celebrated of the Noble Prize winner's oeuvre, captivating readers with earthbound images that reveal in gentle lingering lines an erotic re-imagining of the world through the prism of a lover's body: "today our bodies became vast, they grew to the edge of the world / and rolled melting / into a single drop / of wax or meteor...." Written on the paradisaic island of Capri, where Neruda "took refuge" in the arms of his lover Matilde Urrutia, *Love Poems* embraces the seascapes around them, saturating the images of endless shores and waves with a new, yearning eroticism. This wonderful book collects Neruda's most passionate verses. A Hundred and Seventy Chinese Poems Penguin  
This stunning anthology gathers together the riches of poetry in Hebrew

from 'The Song of Deborah' to contemporary Israeli writings. Verse written up to the tenth century show the development of *piyut*, or liturgical poetry, and retell episodes from the Bible and exalt the glory of God. Medieval works introduce secular ideas in love poems, wine songs and rhymed narratives, as well as devotional verse for specific religious rituals. Themes such as the longing for the homeland run through the ages, especially in verse written after the rise of the Zionist movement, while poems of the last century marry Biblical references with the horrors of the Holocaust. Together these works create a moving portrait of a rich and varied culture through the last 3,000 years.

*Metamorphoses*

University of Wisconsin Press

Echos of Federico García Lorca, Yiannis Ritsos, and Rumi add exoticism to this poet's deceptively simple style. Combining confession with analytical rigor, most of these poems are variations on classic themes, but they are driven by the particulars of politics, love, and family life. As the poems progress,

repeated symbols--such as cars, coats, cups, rooms, bees, and roses--begin to hint that the poet has a secret recipe for contentment: home and hearth, travel, warm weather, and a belief in human growth.

**The Penguin Book of Hebrew Verse** Harvard University Press  
A stunning collection that traverses the borders of culture and time, from the 2011 winner of the PEN/Joyce Osterweil Award In House of Lords and Commons, the revelatory and vital new collection of poems from the winner of the 2013 Whiting Writers' Award in poetry, Ishion Hutchinson returns to the difficult beauty of the Jamaican landscape with remarkable lyric precision. Here, the poet holds his world in full focus but at an astonishing angle: from the violence of the seventeenth-century English Civil War as refracted through a mythic sea wanderer, right down to the dark interior of love. These poems arrange the contemporary continuum of home and abroad into a wonderment of cracked narrative sequences and tumultuous personae. With ears tuned to the vernacular, the collection

vividly binds us to what is terrifying about happiness, loss, and the lure of the sea. House of Lords and Commons testifies to the particular courage it takes to wade unsettled, uncertain, and unfettered in the wake of our shared human experience.

**A Handbook to the Reception of Ovid** Exile Book of  
A career-spanning volume charting the Nobel laureate's work in the ode form Pablo Neruda was a master of the ode, which he conceived as an homage to just about everything that surrounded him, from an artichoke to the clouds in the sky, from the moon to his own friendship with Federico García Lorca and his favorite places in Chile. He was in his late forties when he committed himself to writing an ode a week, and in the end he produced a total of 225, which are dispersed throughout his varied oeuvre. This bilingual volume, edited by Ilan Stavans, a distinguished translator and scholar of Latin American literature, gathers all Neruda's odes for the first time in any language. Rendered into English by an assortment of accomplished

translators, including Philip Levine, Paul Muldoon, Mark Strand, and Margaret Sayers Peden, collectively they read like the personal diary of a man in search of meaning who sings to life itself, to our connections to one another, and to the place we have in nature and the cosmos. All the Odes is also a lasting statement on the role of poetry as a lightning rod during tumultuous times.

*The Offense of Love* Getty Publications

Celebrating the works of a great Chilean poet, this collection offers a vibrant translation of Neruda's sensual and erotic poetry. Famous for his politically engaged lyrics, the Nobel Laureate also wrote bold and sexual sonnets, and this compilation captures the spirit and verbal dexterity of the lesser-known genre. These sonnets from one of the most influential and beloved 20th-century poets accompany questions for discussion and lists of recommended readings and related websites.

[French Classics - Boxed Set: 100+ Novels, Short Stories, Plays & Philosophical Books](#) New Directions Publishing International award-

winning and best-selling author, Canadian cultural icon, feminist role model, "man-hater," wife, mother, private citizen and household name -- who is Margaret Atwood? Rosemary Sullivan, award-winning literary biographer, has penned *The Red Shoes: Margaret Atwood Starting Out*, the first portrait of Canada's most famous novelist, focusing on her childhood and formative years as a writer and the generation she grew up in. When Margaret Atwood was a little girl in 1949, she saw a movie called *The Red Shoes*. It is the story of a beautiful young woman who becomes a famous ballerina, but commits suicide when she cannot satisfy one man, who wants her to devote her entire life to her art, and another who loves her, but subjugates her to become his muse and inspiration. She struggles to choose art, but the choice eventually destroys her. Margaret Atwood remembers being devastated by this movie but unlike many young girls of her time, she escaped its underlying message. Always sustained by a strong sense of self, Atwood would achieve a meteoric literary career. Yet a

nurturing sense of self-confidence is just one fascinating side of our most famous literary figure, as examined in Rosemary Sullivan's latest biography. *The Red Shoes* is not a simple biography but a portrait of a complex, intriguing woman and her generation. The seventies in Canada was the decade of fierce nationalist debate, a period during which Canada's social imagination was creating a new tradition. Suddenly everyone, from Robertson Davies to Margaret Laurence was talking, and writing, about a Canadian cultural identity. Margaret Atwood was no exception. For despite her tremendous success that transcends the literary community, catapulting into the realm of a "household name," Margaret Atwood has remained very much a private person with a public persona. Rosemary Sullivan reveals the discrepancy between Atwood's cool, acerbic, public image and the down-to-earth, straight-dealing and generous woman who actually writes the books. Throughout, she weaves the issues of female creativity, authority and autonomy set against the

backdrop of a generation of women coming of age during one of the most radically shifting times in contemporary history.

### **That Summer in Paris** Macmillan

An enchanting collection of the very best of Russian poetry, edited by acclaimed translator Robert Chandler together with poets Boris Dralyuk and Irina Mashinski. In the late eighteenth and early nineteenth centuries, poetry's pre-eminence in Russia was unchallenged, with Pushkin and his contemporaries ushering in the 'Golden Age' of Russian literature. Prose briefly gained the high ground in the second half of the nineteenth century, but poetry again became dominant in the 'Silver Age' (the early twentieth century), when belief in reason and progress yielded once more to a more magical view of the world. During the Soviet era, poetry became a dangerous, subversive activity; nevertheless, poets such as Osip Mandelstam and Anna Akhmatova continued to defy the censors. This anthology traces Russian poetry from its Golden Age to the modern era, including work by several great poets - Georgy Ivanov and Varlam

Shalamov among them - in captivating modern translations by Robert Chandler and others. The volume also includes a general introduction, chronology and individual introductions to each poet. Robert Chandler is an acclaimed poet and translator. His many translations from Russian include works by Aleksandr Pushkin, Nikolay Leskov, Vasily Grossman and Andrey Platonov, while his anthologies of Russian Short Stories from Pushkin to Buida and Russian Magic Tales are both published in Penguin Classics. Irina Mashinski is a bilingual poet and co-founder of the StoSvet literary project. Her most recent collection is 2013's *Ophelia i masterok* [Ophelia and the Trowel]. Boris Dralyuk is a Lecturer in Russian at the University of St Andrews and translator of many books from Russian, including, most recently, Isaac Babel's *Red Cavalry* (2014).

*100 Love Sonnets* RP  
Minis

Brilliant English translation of beloved poems by Pablo Neruda, who is the subject of the film *Neruda* starring Gael García Bernal and directed by Pablo Larraín

A Penguin Classics Deluxe Edition, with French flaps First published in 1924, *Veinte poemas de amor y una canción desesperada* remains among Pablo Neruda's most popular work. Daringly metaphorical and sensuous, this collection juxtaposes youthful passion with the desolation of grief. Drawn from the poet's most intimate and personal associations, the poems combine eroticism and the natural world with the influence of expressionism and the genius of a master poet. This edition features the newly corrected original Spanish text, with masterly English translations by award-winning poet W. S. Merwin on facing pages. • Includes twelve sketches by Pablo Picasso • New introduction by Cristina García For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts

enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

*Residence on Earth*  
Modern Library

The most comprehensive English-language collection of work ever by "the greatest poet of the twentieth century--in any language" (Gabriel Garcia Marquez) "In his work a continent awakens to consciousness." So wrote the Swedish Academy in awarding the Nobel Prize to Pablo Neruda, the author of more than thirty-five books of poetry and one of Latin America's most revered writers, lionized during his lifetime as "the people's poet." This selection of Neruda's poetry, the most comprehensive single volume available in English, presents nearly six hundred poems, scores of them in new and sometimes multiple translations, and many accompanied by the Spanish original. In his introduction, Ilan Stavans situates Neruda in his native milieu as well as in a contemporary English-language one, and a group of new translations by leading poets testifies

to Neruda's enduring, vibrant legacy among English-speaking writers and readers today.

**All the Odes** Farrar, Straus and Giroux  
A Handbook to the Reception of Ovid presents more than 30 original essays written by leading scholars revealing the rich diversity of critical engagement with Ovid's poetry that spans the Western tradition from antiquity to the present day. Offers innovative perspectives on Ovid's poetry and its reception from antiquity to the present day. Features contributions from more than 30 leading scholars in the Humanities. Introduces familiar and unfamiliar figures in the history of Ovidian reception. Demonstrates the enduring and

transformative power of Ovid's poetry into modern times.

The Penguin Book of Russian Poetry Exile Editions, Ltd.

Pablo Neruda (1904-1973) was the greatest Latin American poet of the 20th century. A prolific, inspirational poet, he wrote many different kinds of poems covering a wide range of themes, notably love, death, grief and despair.

**Faces of Love** e-artnow  
This lovely book pairs selections of translated Greek and Roman verse from Homer, Sappho, Virgil, Horace, and Ovid, among others, with fine examples of paintings, sculpture, vases, and decorative objects. The excerpts, which cover the period from the eighth century B.C. to the early Middle Ages, were chosen

from famous works, such as Homer's Iliad as well as less well-known pieces, such as the writings of the Greek poet Ibycus. This book demonstrates that the human preoccupation with love in all its forms has inspired writers for millennia: from the expression of enduring faithfulness and familial affection in Homer's description of Hector and Andromache to the passionate intensity portrayed by the later Greek lyric poets and the light-hearted depiction of love as a lost little boy by the anonymous authors of the *Inacreontea*. The book includes a brief introduction to Greek and Roman views on love and marriage, a short biographical note on each of the major poets, and a glossary of mythical and geographical names.
