In 1965, the Hart-Cellar Immigration Reform Act ushered in a huge wave of immigrants from across the Caribbean—Jamaicans, Cubans, Haitians, and Dominicans, among

others. How have these immigrants and their children negotiated languages of race and ethnicity in American social and cultural politics? As black immigrants, to which America do they assimilate? *Constructing Black Selves* explores the cultural production of second-generation Caribbean immigrants in the United States after World War II as a prism for understanding the formation of Caribbean American identity. Lisa D. McGill pays particular attention to music, literature, and film, centering her study around the figures of singer-actor Harry Belafonte, writers Paule Marshall, Audre Lorde, and Piri Thomas, and merengue-hip-hop group Proyecto Uno. Illuminating the ways in which Caribbean identity has been transformed by mass migration to urban landscapes, as well as the dynamic and sometimes conflicted relationship between Caribbean American and African American cultural politics, *Constructing Black Selves* is an important contribution to studies of twentieth century U.S. immigration, African American and Afro-

Caribbean history and literature, and theories of ethnicity and race.

(Book). Directly from the Mission District in San Francisco, the explosive fusion of Latin, salsa and rock is chronicled from a writer who has followed the music and the musicians for over 30 years. The book covers

the stories of prominent Latin rock bands including Santana and Malo, examining in detail the pioneering records and the ways in which both reflect a wide spectrum of Latin influences. It highlights the cast of characters and emerging period in the US during the late '60s, with all the cultural background events including the Summer of Love, Woodstock, political activism, and the record label expansion.

Legendary figures such as Bill Graham, Clive Davis and the Escovedos family play crucial roles in the development of this sound. As Latin music continues to become more mainstream, the interest in its musical roots grows. This book sheds light on these musical pioneers, and is gorgeously illustrated with over 800 B&W photos by Jim Marshall, Rudy Rodriguez, Joan Chase and others, plus artwork of dozens of rare album covers.

Constructing Black Selves ABC-CLIO (Guitar Collection). A great collection of 50 "standards" that you really need to know if you want to call yourself a guitarist! Includes: All Along the Watchtower *

The Album Greenwood

This four-volume work provides provocative critical analyses of 160 of the best popular music albums of the past 50 years, from the well-known and mainstream to the quirky and offbeat. *The Album: A Guide to Pop Music's Most Provocative, Influential, and Important Creations* contains critical analysis essays on 160 significant pop music albums from 1960 to 2010. The selected albums represent the pop, rock, soul, R&B, hip hop, country, and alternative genres, including artists such as 2Pac, Carole King, James Brown, The Beatles, and Willie Nelson. Each volume contains brief sidebars with biographical information about key performers and producers, as well as descriptions of particular music industry topics pertaining to the development of the album over this 50-year period. Due to its examination of a broad time frame and wide range of musical styles, and its depth of analysis that goes beyond that in other books about essential albums of the past and present, this collection will appeal strongly to music fans of all tastes and interests.

Billboard Macmillan

Reference USA

Jam Bands is the first comprehensive guide to the emerging wave of improvisational music now thriving in North America. The book spans the continent, identifying more than 175 of the most noteworthy jam bands. Each entry includes photos, biographies, discographies, personal insights from band members, web site listings, and descriptions and analyses of each group's distinctive musical styles and talents. Additionally, since all the profiled bands encourage live taping, *Jam Bands* offers a section devoted to the art of recording concerts and building a live-music library. Written by noted live-music fanatic and taper Dean Budnick, author of *THE PHISHING MANUAL*, *Jam Bands* is sure to please both long-time devotees of the jam band scene and new initiates as well. From Aquarium Rescue Unit to Zero, with stops along the way for moe., Medeski, Martin & Wood, Rusted Root, Strangefolk, and String Cheese Incident, *Jam Bands* will acquaint readers with cherished groups and introduce new favourites, while unlocking the

mysteries of taping.

Words on Cassette ECW Press
