The riveting story of how three years spent in the United States transformed Frida Kahlo into the artist we know today "[An] insightful debut....Featuring meticulous research and elegant turns of phrase, Stahr's engrossing account provides scholarly though accessible analysis for both feminists and art lovers." —Publisher's Weekly Mexican artist Frida Kahlo adored adventure. In November, 1930, she was thrilled to realize her dream of traveling to the United States to live in San Francisco, Detroit, and New York. Still, leaving her family and her country for the first time was monumental. Only twenty-three and newly married to the already world-famous forty-three-year-old Diego Rivera, she was at a crossroads in her life and this new place, one filled with

magnificent beauty, horrific poverty, racial tension, anti-Semitism, ethnic diversity, bland Midwestern food, and a thriving music scene, pushed Frida in unexpected directions. Shifts in her style of painting began to appear, cracks in her marriage widened, and tragedy struck, twice while she was living in Detroit. *Frida in America* is the first in-depth biography of these formative years spent in Gringolandia, a place Frida couldn't always understand. But it's precisely her feelings of being a stranger in a strange land that fueled her creative passions and an even stronger sense of Mexican identity. Little People, BIG DREAMS: Women in Art Mudpuppy Books

One of Mexico's most celebrated new novelists, F. G. Haghenbeck offers a beautifully written reimagining of Frida Kahlo's fascinating life and loves. When several notebooks were recently discovered among Frida Kahlo's belongings at her home in Coyoacán, Mexico City, acclaimed Mexican novelist F. G. Haghenbeck was inspired to write this beautifully wrought fictional account of her life. Haghenbeck imagines that, after Frida nearly died when a streetcar's iron handrail pierced her abdomen during a traffic accident, she received one of the notebooks as a gift from her lover Tina Modotti. Frida called the notebook "The Hierba Santa Book" (The Sacred Herbs Book) and filled it with memories, ideas, and recipes. Haghenbeck takes readers on a magical ride through Frida's passionate life: her long and tumultuous relationship with Diego Rivera, the development of her art, her complex personality, her hunger for experience, and her ardent feminism. This stunning narrative also details her remarkable relationships with Georgia O'Keeffe, Leon Trotsky, Nelson Rockefeller, Ernest Hemingway, John Dos Passos, Henry Miller, and Salvador Dalí. Combining rich, luscious prose with recipes from "The Hierba Santa Book," Haghenbeck tells the extraordinary story of a woman whose life was as stunning a creation as her art. *Frida Kahlo* Editorial Mediterrània, SL Revel in the enduring legacy of Mexican artist Frida Kahlo—from the self-portraits, to the flower crown, to her iconic eyebrows—with this fun and commemorative book!
