Don't miss the fan favorite novel that inspired the film! Now a motion picture on Amazon Prime starring Kiana Madeira, Ross Butler, and Matthew Noszka! Can one woman's vengeance on her ex lead her to a new love? Or will it tear apart her future forever . . . When MMA trainer Sienna Lane walks in on her boyfriend, Jax "Deadbeat" Deneris in bed with her sister, her world falls apart. In less than five minutes, she's homeless, friendless, family-less. Vowing to get back at Jax, Sienna quickly charts a course of revenge that will hit him where it hurts most—in the ring. Step one: convince Jax's rival, Kayden Williams, to train with her. Step two: beat Jax at his own game. At first, Kayden wants nothing to do with Sienna's schemes, but when he figures out that she might be able to give him an advantage, he caves, letting her first into his home, then into his bed, and finally into his heart. But as much as she cares about Kayden, she can't let her anger go, and it threatens the shaky foundation they've built together from their damaged lives. When he gives Sienna an ultimatum—it's either him or her revenge, she's forced to decide between getting back at Jax or throwing her newfound happiness with Kayden away.

A USA TODAY and New York Times bestseller Perfect for fans of Kasie West and Jenn Bennett, this “sweet and funny” (Kerry Winfrey, author of Waiting for Tom Hanks) teen rom-com follows a hopelessly romantic teen girl and her cute yet obnoxious neighbor as they scheme to get her noticed by her untouchable crush. Perpetual daydreamer Liz Buxbaum gave her heart to Michael a long time ago. But her cool, aloof forever crush never really saw her before he moved away. Now that he’s back in town, Liz will do whatever it takes to get on his radar—and maybe snag him as a prom date—even befriend Wes Bennet. The annoyingly attractive next-door neighbor might seem like a prime candidate for romantic comedy fantasies, but Wes has only been a pain in Liz’s butt since they were kids. Pranks involving frogs and decapitated lawn gnomes do not a potential boyfriend make. Yet, somehow, Wes and Michael are hitting it off, which means Wes is Liz’s in. But as Liz and Wes scheme to get Liz noticed by Michael so she can have her magical prom moment, she’s shocked to discover that she likes being around Wes. And as they continue to grow closer, she must reexamine everything she thought she knew about love—and rethink her own ideas of what Happily Ever After should look like.

Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control – from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed “beguiling” and “fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28: Enter Action with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

Three's a crowd, but four's a war. Big girl undies? Check. Speech planned? Check. Nerves of steel? Check. A single crush? ...not check...? What do you do when you find your best friend/crush kissing your other best friend on the day you were going to declare your feelings for him? You only agree to

fake date your crush's rival. The King of the Bows, popular golden (play)boy, and all around douche, Xander wouldn't be my last choice for a boyfriend. Across the school, battlelines are drawn and sides are taken between the new 'it' couple of my former best friends and the excitingly scandalous pairing of me and King Douche. Xander keeps distracting me from the plan; make Jason jealous. He insists on holding my hand and kissing me and being nice. Ugh. Xander's not nice and he's not the relationship type, but he's doing a damned good job of acting both parts. He calls it 'keeping up appearances', I call it 'take one more pass at my arse and I'll break your nose'. They say all's fair in love and war, but what's so fair about falling for the wrong guy when your two best friends are on the other side of the battlelines? Please be aware that this story is set in Australia and therefore uses Australian English spelling and syntax.
