### **The Sarcastic Sports Trivia Book** HarperCollins UK

A must-have book for inquisitive young sports fans, this collection of sports trivia entertains as it informs, presenting insider knowledge from the world of sports in the distinct Sports Illustrated Kids style. More than simply a list of questions and answers, this full-color, interactive book details the answers to sports' curious questions — Why is the NHL's trophy called the Stanley Cup? Who was baseball's first designated hitter? When were the first Olympics held? Why is San Francisco's football team called the 49ers? — complete with photos and illustrations

that entertain as they inform. Featuring hundreds of questions, young fans will be stumping the adult sports fans in their lives with their expert insider knowledge. Badger Sports Trivia Teasers Capstone Jimmy Magee, whose extraordinary memory for sports trivia has led to his being dubbed the Memory Man, has the distinction of being the longest-serving sports commentator in the English-speaking world. He started his career in 1956, the year that Ronnie Delany won the 1,500 metres gold medal at Melbourne. He has covered every Olympic Games since 1972 (the London 2012 games were his eleventh!) and every soccer World Cup since 1974. He achieved worldwide notice in Munich in 1972 when he managed to breach security in the Olympic village to cover the terrorist attack on Israeli athletes. This incredible scoop was picked

up by CBS in the United States and then by every television station around the world. Jimmy Magee has been present at the most iconic sporting moments in both world and Irish sport and gives his unique insight into these major sporting moments. He tells how he played five-a-side football with Gert Müller, how he almost came to blows with Nigel Benn, and why he thinks Katie Taylor is Ireland's greatest contemporary sports person. But what is perhaps the most striking aspect of such an accomplished career is how Jimmy managed to find the strength to keep up his cheerful persona on air as he endured immeasurable sorrow in his personal life. His beloved wife, Marie, died unexpectedly in 1989 and his son Paul, himself a footballer and sports broadcaster, tragically lost his battle with motor neuron disease in 2008 at the early age of fifty-one. Full of anecdotes, humour and poignancy, Memory Man tells all these things and more. This is a frank, open and honest book by one of Ireland's most beloved national treasures.

Billed as the greatest sporting show on earth, the Olympic Games have produced countless memorable stories of achievement and endurance since entering the "modern" era in 1896. The major sports take a back seat - some of them long gone from the schedule - as sports fans discover new heroes excelling in obscure events that intrigue. The Games deliver triumph and heartbreak, serial winners and one-medal wonders, shocks and controversies - and tragedy in the true sense of the word rather than the often diluted sporting interpretation. For just over two weeks every four years handball and hockey, sailing and shooting, judo and gymnastics become prime time news. And the word "repechage" is common currency. The *Armchair Olympian* uses trivia, teasers, illustrations and quotes to recapture the magic of the story so far.

The *Ultimate Olympic Quiz Book* celebrates the indomitable spirit and optimism of the Greatest Show on Earth through quizzes and factoids that encapsulate some of the most fascinating tales of success and failure, and those never-seen-before-or-after moments. From the ancient Olympiads to Coubertin's modern Games; from the lesser-known facts about the Winter Games to India's icons and forgotten heroes, this book has all the answers to every question you might have about the Olympics.
