This is a concise guide containing the information you will need to take the AINS 21, 22 and 23 exams. This format has been developed by the author in pursuit of his own certifications which came with a Grade E (Excellent) result. Every topic has been neatly organized into questions and answers which are brief and to the point. This could be used as the sole text book, and does contain most of the subject matter you will need to take any of these exams, but it is highly recommended that these be used along with textbooks

provided by the Institutes. Any updated material could be found in the newest textbooks.
