## **MALDONADO COCHRAN**

---

*Cleopatra* Encyclopaedia Britannica  
From the author of No.1 international  
bestseller Collapse, a mesmerizing  
portrait of the human past that offers  
profound lessons for how we can live  
today Visionary, prize-winning author  
Jared Diamond changed the way we  
think about the rise and fall of human  
civilizations with his previous  
international bestsellers Guns, Germs

and Steel and Collapse. Now he returns  
with another epic - and groundbreaking -  
journey into our rapidly receding past. In  
The World Until Yesterday, Diamond  
reveals how traditional societies around  
the world offer an extraordinary window  
onto how our ancestors lived for the  
majority of human history - until virtually  
yesterday, in evolutionary terms - and  
provide unique, often overlooked  
insights into human nature. Drawing  
extensively on his decades working in  
the jungles of Papua New Guinea,  
Diamond explores how tribal societies

approach essential human problems, from childrearing to conflict resolution to health, and discovers we have much to learn from traditional ways of life. He unearths remarkable findings - from the reason why modern afflictions like diabetes, obesity and Alzheimer's are virtually non-existent in tribal societies to the surprising benefits of multilingualism. Panoramic in scope and thrillingly original, *The World Until Yesterday* provides an enthralling first-hand picture of the human past that also suggests profound lessons for how to live well today. Jared Diamond is the Pulitzer Prize-winning author of the seminal million-copy-bestseller *Guns, Germs, and Steel*, which was named one of TIME's best non-fiction books of all time, and *Collapse*, a #1 international

bestseller. A professor of geography at UCLA and noted polymath, Diamond's work has been influential in the fields of anthropology, biology, ornithology, ecology and history, among others.

**You Wouldn't Want to Be Cleopatra!**

HarperCollins UK

Queen of Egypt at the age of eighteen, Cleopatra's passion was to untie the world under Egyptian rule. Legendary leaders risked their kingdoms to win her heart, and her epic life has inspired countless tales throughout history. A timeless story of love, war, and ambition, their pictorial biography is sure to entertain and educate.

**Jupiter King of the Gods, God of Sky and Storms** National Geographic

Children's Books

Learn all about Cleopatra, a far more capable and powerful ruler than people have thought, in this lively and informative biography. Most of what we've known about Cleopatra—and what crept into art, film, and literature—came from her enemies, the Romans.

Ascending to the throne at young age of 17, Cleopatra proved to be a brilliant negotiator who forged alliances that kept her in power and in control of her kingdom. This book about Egypt's last and most famous pharaoh features an inviting text, many sidebars, and excellent color illustrations: maps, photos of ancient artifacts, and artworks from many historical periods.

**The Ghoul Next Door** Robinson

An air of mystery surrounds Cleopatra. A record of her reign as queen of Egypt

simply doesn't exist and we must piece together her story from fragments, artifacts, and historical writings. Was she a selfish, extravagant, and overly ambitious tyrant? Or was she a patriotic advocate for her people with the courage to stand up to those who held power in Rome? Cleopatra spent her reign fighting for her right to rule and struggling to maintain Egypt's independence. Love, power, and political advantage became intertwined as Cleopatra aligned herself with the dominant political figures of her time. These partnerships both helped and hurt her beloved Egypt. So who was Cleopatra? Her motives may be open to debate, but it cannot be denied that she was a savvy political mastermind, a powerful queen, and a force to be

reckoned with - in any age. Book jacket.
