Do you want to exercise your child's manual skills? Do you want them to explore the world in a creative way? If YES then this coloring book will be a great gift! It's scientifically proven that children between the ages of 1 and 3 learn new things very quickly. This coloring book combines fun with learning i.e. beautiful pictures to color which will distract your child from the phone or TV for a few hours and allow her/him to exercise manual skills and imagination. Coloring books are great for kids, not only because they help de-stress and relax. Above all, it's a safe, creative, and easy activity that's great for your child's development! It's scientifically proven by psychologists and educators that coloring books have a positive effect on children's lives. With these coloring books your child can: -Express their emotions, children are not always able to express in words their emotions by which they may appear stressed. By coloring, they express themselves and their emotions by reducing tension in the body. - Concentration and creativity. The child learns to observe

the world and at the same time stimulates imagination, learns to mix colors, and create interesting compositions -Decision making - it is very important for children what color they choose and they often think about it while creating a composition for their pictures. -Helps develop the ability to hold a pencil and crayon correctly, which is essential for learning to write. This is a great activity to prepare for school. Hand-eye coordination is very important and will help your child in later learning. Details: 44 pictures to color with animals, toys, foods Cover - eye-catching elements make the child more likely to reach for the book Single-sided pages - every image is placed on its own black-backed page to reduce the bleed-through problem found in other coloring books Relaxation for parent and child. You can use the time your child is coloring for other activities, or you can join your child and have a great time building family relationships, Beautiful Illustration - stimulate the imagination. Building the parent-child bond - spending time together is essential for every family If you need a moment for yourself creative fun for your child Put this book in your basket NOW and enjoy wonderful moments for your child and you.
