Healthy teeth are very important, and a trip to the dentist helps keep them shiny and strong. Beginning readers get a firsthand glance at the people who work hard to keep our teeth looking and feeling their best.

Presented in a fictionalized manner, this book allows young readers to follow along on a child's visit to the dentist. Accessible text helps readers see what happens during a dental exam and learn about the people and tools that work together to clean our

teeth. Bright, fun illustrations guide readers through the story.

Dentist Trip Random House Books for Young Readers

Dinosaurs love to go on adventures, even in places readers may not expect. A trip to the dentist may not sound like much fun, but there's a lot to explore once these dinosaurs get inside the dentist's office. From brushing before going to the office, reading in the waiting room, and chatting with the dental hygienist, this book takes beginning readers on a fun journey through a typical visit to the dentist. There even might be a treat for this little dino for being a good sport while in the dentist's chair!

Oh, it's time to go to the dentist! Crocodile has a toothache, but he's afraid of the dentist. The dentist wants to help, but he's afraid of Crocodile. Never fear! Bestselling author-illustrator Taro Gomi cleverly and humorously presents both sides of the story, as the crocodile and the dentist learn to be brave and face their fears—of what might happen in that dentist's chair and of each other!

Show Me Your Smile! A Visit to the Dentist (Dora the Explorer) Capstone

Peppa and George go to the dentist, but it is George's first check-up, so he is a little nervous. *My Trip to the Hospital* Dorling Kindersley Ltd One of a series for young children that explores what it is like to go through a number of significant new experiences, this sensitive and entertaining book thoughtfully helps children to understand what happens when they visit the dentist and the feelings they might have about it. It also looks at what a filling is and how to look after your teeth. Written from a child's point of view, it is both informative and reassuring. The humorous illustrations not only enable the reader to relate the book to their everyday life but also stimulate discussion about the experience. Notes for parents, carers and teachers help adults use the book most effectively with their children and include ideas for using it in literacy classes. Mike Gordon is a highly successful illustrator whose work for Wayland has established a respected information book brand.
