 Level 2 Mark Hayes is known for his dazzling piano artistry. However, many of the players who love his arrangements wish that they didn't have quite so many notes or require such large reaches.

Mark's third book of "intermediate" solos designed specifically for these players includes spirituals and Gospel songs with all of the brilliant Hayes trademark jazz chords and "licks" but in settings that can be mastered more easily. You'll feel the joy the first time you open the book at home; then you'll want to share it with your congregation.

This repertoire of simplified classical and folk music is intended for students who are new to the piano, but who already knows how to read music and place their fingers on the instrument. This is not a learning method, but a sheet music support, classified from the simplest to the most complicated piece. It is designed to help you grow from beginner to intermediate pianist. Classical music is a great way to learn the piano, however, it is not always enjoyed by novice pianists. This is why I only chose well-known and short pieces in order to combine enjoyment and improvement. This is the secret to progress quickly!
