 For years, the prospect of
 parliamentary reform has
 been a hot-button issue in
 Canada. More and more
 Canadians find
 themselves frustrated
 with how Parliament
 works (or doesn't) and

end up increasingly
 checked out from politics
 as a whole, feeling like
 their voices don't matter
 to those in power. When
 he introduced the "Reform
 Act" bill in 2013,
 Conservative MP Michael
 Chong brought the issue
 of parliamentary reform to
 the forefront, proposing
 changes that would
 empower MPs and hold
 party leadership
 accountable to their

caucus--and therefore, to
 all Canadians. Although
 the changes required for
 such reforms are modest,
 the effects they would
 have on the Canadian
 democratic process would
 be revolutionary. In
 Turning Parliament Inside
 Out, Chong joins Kennedy
 Stewart (NDP) and Scott
 Simms (Liberal) in
 organizing a collaboration
 between MPs from all of
 Canada's major political

parties, representing ridings from across the country. They join together in an across-the-aisle effort to make these changes a reality, explaining why reform is so urgently needed and proposing practical, achievable suggestions for making it happen. The contributors of this cross-partisan, cooperative project aimed at increasing citizen control of Canada's political institutions, include:

FOREWORDS BY: Ed Broadbent, Preston Manning and Bob Rae

NIKI ASHTON is the Member of Parliament for the riding of Churchill-Keewatinook Aski. First elected in 2008, she is a member of the NDP, the party's Critic for Jobs, Employment and Workforce Development and was a candidate in the 2012 NDP leadership race.

MICHAEL CHONG (Editor) has represented the riding of Wellington-Halton Hills since 2004. He served in the cabinet of Prime Minister Stephen Harper as Minister of Intergovernmental Affairs and Minister of Sport and was a contestant in the 2017 Conservative leadership race.

MICHAEL COOPER, Conservative Party, was elected to represent the riding of St.

Albert-Edmonton in 2015. He is the Official Opposition Deputy Critic for Justice.

NATHAN CULLEN is the NDP MP representing Skeena-Bulkley Valley since 2004. He has held various senior portfolios for the NDP including House Leader and Finance Critic and stood as a candidate in the 2012 NDP leadership race.

ELIZABETH MAY is the leader of the Green Party of Canada. She became the first Green Party candidate to be elected to the House of Commons in 2011 and represents the riding of Saanich-Gulf Islands.

SCOTT SIMMS (Editor) is the Member of Parliament for the Newfoundland and Labrador riding of Coast of Bays-Central-Notre Dame. First elected in 2004, he is a member of the Liberal Party and the current chair of the Standing Committee of Fisheries and Oceans.

KENNEDY STEWART (editor) was elected in 2011 and is the NDP MP for Burnaby South. He is currently the NDP Critic for Science and chair of the NDP's British Columbia caucus.

ANITA VANDENBELD is a member of the Liberal Party and was elected to represent the riding of

Ottawa West-Nepean in 2015. She is a member of the Standing Committee of the Status of Women and chaired the Special Committee on Pay Equity in 2016.

National Geographic Books

Do you own a drone? Then you need a log book. Log each flight confidently and increase your safety, as well as the value of your drone. This log book is the official standard and includes details that are specific to drone operations. You have space for 360 drone flights and dedicated spots for each flight date location drone number (registration number) drone type aircraft performance characteristics aircraft's lost link procedures ...and more! Why do you need a drone log book?

Marketing. Showing a completed logbook to a potential customer is a great marketing point. Like the old adage, "A picture is worth a thousand words," a good logbook is worth a thousand flights. You can quickly demonstrate your flight experience by flipping through the pages. Furthermore, a well-kept and orderly logbook gives the

impression that you are a professional. The FAA or Law Enforcement Can Request Your Logbook. If you are a commercial operator flying under Part 91 & Part 61 (like with a Section 333 exemption), 14 C.F.R. § 61.51(i) says, "Persons must present their pilot certificate, medical certificate, logbook, or any other record required by this part for inspection upon a reasonable request by" the FAA, an authorized representative from the National Transportation Safety Board, or any Federal, State, or local law enforcement officer. If your electronic logbook is on your device, do you really want to give law enforcement or the FAA your device? Furthermore, how are you to get the data off that device? Insurance. When you apply for insurance, they will ask you to fill out a form that is going to ask for all sorts of information. A logbook will assist you in filling out the form so you can receive the most accurate quote. Required in Other Countries. Other countries such as South Africa require the drone logbook to be in paper. Paper is the current industry standard. Less Cumbersome. If you are marketing to a potential

client, you can scan pages of your logbook and send it to them. It is more cumbersome to get the data off a phone or website. Very Little Problems. What happens if your phone is stolen, water damaged, battery dies, or there is poor cell phone signal? Paper does not need a cell signal or batteries. No Data Theft. You don't have to worry about data theft like you would with a website or an app. Fidelity. Electronic logbooks can be changed while pen and paper are permanent. Buy now for yourself or a friend and be confident in your drone's flight log.

"I'm an Italian-Texan woman in a family full of cops. I'm passionate and shoot before I think. You only f*ck with me if you're stupid." Photograph cheating spouses. Hand over the evidence. Cash my check. That was my plan when I returned home to Holly Woods, Texas, and became a private investigator. Finding the dead body in my dumpster? Yeah... Given the choice, I think I would have opted out of that little discovery, especially since all three

of my brothers are cops. And my Italian grandmother is sure the reason I'm single is because of my job. Of course, my connection to the victim is entirely coincidental. Until I'm hired by her husband to investigate her murder and shoved bang-smack into the path of Detective Drake Nash. My nemesis, a persistent pain in my ass, and one hell of a sexy son of a bitch. Shame he still holds a grudge from that time I shot him in the foot twelve years ago, or we could have something. In another life. So now all I have to do is avoid my nonna's blind dates, try not to blackmail my brothers into giving me confidential police files, and absolutely do not point my gun at Drake Nash. Or kiss him. Or jump his bones. All while I hunt down the killer. Sounds totally simple-until a second body proves that sometimes things that start as coincidences don't always end up that way...

 The Tudor Book of Days is a beautifully designed perpetual diary for keeping important dates, events and seasonal notes in a personal day book. The diary pages have a week in a double page spread and list important Tudor events by month and by day. Space to add your own special notes of anniversaries, events and seasonal notes are included for each month and day. The book concludes with a reference section including the biographical details of over 150 important Tudor figures, making it a practical and informative record of the Tudor period. The stunning cover design shows Tudor roses and flowers embroidered on a Chasuble (the outermost liturgical vestment worn

by clergy for the celebration of the Eucharist). England, mid 16th century from the collections of the Victoria and Albert Museum, London. The Tudor Book of Days is inspired by the Book of Hours, the prized possession of a Tudor person. Primarily a private devotional book, it listed holy days and hours for prayer, but was often used to record births and marriages, important events and festivals, or to write messages of affection between friends. *Hidden Agendas* Createspace Independent Publishing Platform
 In this powerful book, journalist and film maker John Pilger strips away the layers of deception, dissembling language and omission that prevent us from understanding how the world really works. From the invisible corners of Tony Blair's Britain to Burma, Vietnam, Australia, South Africa and the illusions of the 'media age', power, he argues, has its own agenda. Unchallenged, it operates to protect its interests with a cynical disregard for people - shaping, and often devastating, millions of lives. By unravelling the hidden histories of contemporary events,

Pilger allows us to read between the lines. He also celebrates the eloquent defiance and courage of those who resist oppression and give us hope for the future. Tenaciously researched and written with passion and wit, *Hidden Agendas* will change the way you see the world. *True Meditation* Victoria & Albert Museum

 Synopsis Sam O'Donovan is bored with his stale life in Montana. When his brother-in-law offers him a great job and a cut of the McCray business in Colorado, he's ecstatic. This is the change he needs. As for beautiful Sydney Buchanan resurfacing? That's icing on the cake. Sydney's back for one reason and one reason only. She needs to win as many purses as she can to help her parents run their struggling ranch in Nevada. She doesn't bank on running into Sam O'Donovan. All the sparks they shared five years earlier are still there, but so much else has changed. If only Sam could understand the decisions she made during their time apart...and trust her.

At 38, Xavier "Cade" McCade has it all: a military career he can be proud of, a successful business, and a close knit group of family and friends. A former Army Special Forces Captain, Cade leaves the military to create Custos

Securities, a burgeoning protection agency that provides unparalleled security for both civilians and corporations across the U.S. After a string of disastrous relationships—and a narrow escape from an abusive partner—Braden Cross is finally putting his past to rest. Combining both his passion for baking and his knack for business, Braden owns the Sugar n' Spice Café with his best friend who concocts exotic coffees and teas that pair perfectly with his decadent confections. When a stalker sets his sights on Braden, the young pastry chef's world is turned upside down. More frightened than he cares to admit, and not knowing where to turn, Braden is relieved when Cade steps in to offer his protection. Caught up in a maelstrom of threats, break-ins, and vandalism, the two draw closer together. Braden eventually realizes that he can trust Cade with his life, but he finds himself wondering... can he trust him with his heart?

A male beauty contest, a murder attempt, and a mate... When you're in trouble with the mob, there's only one thing to do: Assume your twin sister's identity, escape to a tropical island resort, and lay low while enjoying a generous slice of beefcake courtesy of the World Mr. Shifter pageant. But wolf shifter Laura Smith didn't expect to find the most gorgeous man at the resort behind the bar... or guess that he would be her one true mate! And as long as everyone thinks she's her sister, giving in to her heart means blowing her cover. Bear shifter Tex Williams considers himself unlucky in love, but this is ridiculous. A woman he met years ago turns up again, and suddenly she's his fated mate? Why didn't he recognize her at first sight? And why does

she deny their bond now? Things heat up, in and out of the sheets, when someone tries to poison Laura and Tex has to risk everything to protect her. Can Laura learn to trust Tex as the attempts on her life escalate? Is there a hitman among the hunks? Between the hot guys and the hidden agendas, this is one wild week at Shifting Sands Resort!

From Steven Hayward of Power Line: "The independent internet journalist Don Surber has produced a terrific short catalogue and analysis of how everyone-but especially the conservative commentariat-missed or misunderstood the rise of Donald Trump. "The book is a wonderful catalog of all the pundits who completely dismissed Trump from the beginning (including yours truly, though Don was kind enough not to quote my faulty Los Angeles Times prediction last August that Trump would be gone by Thanksgiving)."

In his first cookbook, Food Network star, Tyler Florence prepares you to cook for any occasion with recipes that range from dinner with friends to table for two and from one pot wonders to cocktail parties all featuring his signature bold, irresistible, real flavors. With a culinary sensibility refined in some of New York's most high-profile restaurants, and a down-home practicality gained as the cooking guru of Food 911, Tyler cooks food that's fresh, flavorful, and totally doable. In Tyler Florence's Real Kitchen, he'll show you how to cook simple meals that taste amazing, from comfort-food to classics to vibrantly new dishes. Tyler's first cookbook stays true to his cooking philosophy—use great, simple ingredients

and let the natural flavors speak for themselves. He offers can't-miss recipes for all the crowd-pleasing dishes that you crave—cold fried chicken, a perfect meatloaf, or drop-dead lasagna. Tyler's bold, uncomplicated style even makes sophisticated food easy, with recipes like Pan-Roasted Sirloin with Arugula, Sweet Peppers, and Olive Salad or Steamed Mussels with Saffron and Tomato. He'll show you how to get a great meal from the grocery bag to the table with the least fuss and the most flavor, or how to throw a barbecue with the best burgers (spiced up with horseradish and Havarti cheese) that your friends have ever had. From weekend brunch (including Soft Scrambled Eggs with Salmon and Avocado and an assortment of dim sum) to quick weeknight dinners for two (like Hong Kong Crab Cakes with Baby Bok Choy), and a selection of great party food and cocktails, this is a cookbook you'll use again and again for every occasion. With helpful notes on essential pantry staples and a list of the kitchen equipment you really need, Tyler Florence's Real Kitchen is a fresh, creative

exploration of just how fun (and delicious) your cooking can be.
