The Gregg Shorthand Magazine Goyal Brothers Prakashan Every letter that you write creates a permanent record of the information it contains. Accordingly, it is important to ensure that it accurately reflects your ideas and communicates in a way that satisfies the needs of your reader. Letters also convey an image of the writer and of his or her competence and professionalism. Clearly, it is in your interest to use your letters to create a positive impression.de Groot and Maxwell, Legal Letter Writing, 1994Here's to plain language and clear understanding.Kaspar Gutman (Sydney Greenstreet) to Sam Slade (Humphrey Bogart), proposing a toast, in The Maltese Falcon.Give us the tools, and we will finish the job.Sir Winston ChurchillBroadcast address, 9 February 1941Words are a lawyer's tools of trade. Precedents are the templates used to leverage the lawyer's skills and letters are the basic tools of legal practice. Yet often we put much more effort and sophistication into our computerised delivery systems than into our precedents. It takes time and skill to write letters that are concise and plain but also comprehensive and it is hard to find time to keep your letters up-to-date.This book of letters will test the legal profession's interest in practical tools to do the job by offering templates for that deceptively commonplace legal task called conveyancing.The letters are written by a lawyer keen on plain language and have been refined over 30 years of daily application. They can save you time, make you money and let you sleep more soundly at night by providing you and your staff with inbuilt checklists. They can help you build your reputation with your clients for thoroughness and clarity, while evincing and adding to the value of your services.

It's a very exciting opportunity coming to Canada as an immigrant. Canada is one of the top countries in the world in which you can live and work. It's one of the most popular immigration destinations in the world because it attracts immigrants world-wide. Canada has stable economy, a very high standard of living, educated population and very low crime rates. All this make Canada a preferred choice for immigrants all over the world. Despite the Coronavirus pandemic, Canadian Immigration is still open! Canada is accepting thousands of immigrants every month. Therefore, this is a good time to apply for Canadian Immigration permanent residency or temporary visa. The federal government of Canada is looking to bring over 340,000 permanent resident newcomers to Canada this year, and

100,000 more temporary residents! This book will teach you exactly how to become one of them. When you become a permanent resident of Canada, you can work and live anywhere in the country. You will also have access to social services and free healthcare. You will enjoy an excellent quality of life that's filled with many job opportunities and amenities. There are more than 100 visa and immigration programs available in Canada. Some of them are based on points, and select the candidates with the highest scores for permanent residency in Canada. There are other programs that are employer-driven. This means that the main requirement is you must arrange employment in Canada. What's more, people with Canadian education and work experience qualify for even more immigration programs! Therefore, if you're looking to apply for Canada permanent residency, study or work in Canada, this book has a ton of the information you need. It will teach you all the steps you should take and so much more!

Legislation is one of the most important tools for empowering children. It reflects the commitment of the state to promote an ideal and progressive value system. Recent years have seen several key developments in the law, policy, and practice related to child rights. Significantly, with the adoption of the United Nations Convention on the Rights of the Child in 1989, a rights-based approach has acquired prominence in the child rights discourse across the world. The book analyses the laws in the light of court judgments and policy initiatives taken in India. It also examines the interventions and strategies employed by non-governmental organizations in recommending legislative reforms in support of children. This fully revised third edition focuses on the new legal developments in India—such as the Juvenile Justice (Care and Protection of Children) Act, 2015; the new Central Adoption Resource Agency guidelines; the Right of Children to Free and Compulsory Education Act, 2009; and the National Food Security Act, 2013—thus attempting to integrate the law in theory and field practice.
