## **ZION MELODY**

---

Dark Towers Penguin  
Catherine Clarke defied  
her family's  
expectations when she  
married Gabriel, a  
handsome Lebanese  
businessman. After  
moving to Gabriel's  
hometown and

welcoming a baby  
daughter, Catherine  
knew she had to  
acclimate herself to  
the strange new world.  
Yet both her husband  
and her surroundings  
became more volatile  
and threatening than  
she could have ever  
imagined. When  
Gabriel forbids her to  
return to the States,

Catherine devises a plan to deceive him, but she vastly underestimates how far he will go to punish her. And after her daughter, Ann Marie, is abducted and taken deep into the mountains of Beirut--protected by family, culture, and law--the only thing on Catherine's side is the fierceness of a mother's love. She's prepared to move heaven and earth to find her child. Told from alternating points of view--that of a daughter whose past is a mystery and of a mother with painful secrets to share--this profoundly moving story of impossible risks will resonate with anyone whose love has no boundaries.

*Blink* Molly Black  
A Story of Big Tech

Censorship and Bias and the Fight to Save Our Country The madness of Google's attempt to mold our reality into a version dictated by their corporate values has never been portrayed better than in this chilling account by Google whistleblower, Zach Vorhies. As a senior engineer at Zach watched in horror from the inside as the 2016 election of Donald Trump drove Google into a frenzy of censorship and political manipulation. The American ideal of an honest, hard-fought battle of ideas—when the contest is over, shaking hands and working together to solve problems—was replaced by a different, darker ethic alien to this country's history as wave after of

ensorship destroyed free speech and entire market sectors. Working with New York Times bestselling author Kent Heckenlively (Plague of Corruption), Vorhies and Heckenlively weave a tale of a tech industry once beloved by its central figure for its innovation and original thinking, turned into a terrifying “woke-church” of censorship and political intolerance. For Zach, an intuitive counter-thinker, brought up on the dystopian futures of George Orwell, Aldous Huxley, and Ray Bradbury, it was clear that Google was attempting nothing less than a seamless rewriting of the operating code of reality in which many would not be allowed to participate. Using

Google's own internal search engine, Zach discovered their real “AI-Censorship” system called “Machine Learning Fairness,” which he claims is a merging of critical race theory and AI that was secretly released on their users of search, news and YouTube. He collected and released 950 pages of these documents to the Department of Justice and to the public in the summer of 2019 through Project Veritas with James O'Keefe, which quickly became their most popular whistleblower story, which started a trend of big whistleblowing. From Google re-writing their news algorithms to target Trump to using human tragedy emergencies to inject permanent blacklists, Zach and Kent provide

a “you are there” perspective on how Google turned to the dark side to seize power. They finish by laying out a solution to fight censorship. Read this book if you care to know how Google tries to manipulate, censor, and downrank the voice of its users.

**Don't Blink** Crooked Lane Books

Two brothers. Three secret service agents. And millions for the taking. Charlie and Oliver Caruso are brothers who work at Greene and Greene, a private bank so exclusive there's a \$2 million minimum to be a client. But when the door of success slams in their faces, the brothers are presented with an offer they can't refuse: \$3 million in an abandoned account that can't be traced.

It's the perfect victimless crime. Charlie and Oliver opt to take the money, but get much more than they bargained for. Now, with a lot of extra zeroes in their pockets and a friend found dead, the Secret Service and a female private investigator are closing in. Whose money did they take?

How will they stay alive? And why is the Secret Service trying to kill them? Both Charlie and Oliver quickly realize it's not easy being The Millionaires.

**The 5 Elements of Effective Thinking**

Kensington Books  
When an unsuspecting medical student learns their unknown cadaver was the victim of a murder—and the signature of a new serial killer—FBI Special Agent Taylor

Sage must enter the world of medical students and race to understand where this killer lurks—and where he will strike again. “Molly Black has written a taut thriller that will keep you on the edge of your seat... I absolutely loved this book and can’t wait to read the next book in the series!” —Reader review for *Girl One: Murder DON’T BLINK* is book #8 of a brand-new series by critically acclaimed and #1 bestselling mystery and suspense author Molly Black, whose books have received over 2,000 five-star reviews and ratings. With ominous Tarot readings, cadavers are piling up, and Taylor is thwarted at every turn. Taylor must enter the mind of the murderer, and maybe even put

on a white coat, to uncover the killer. But will she find the truth in time? A page-turning and harrowing crime thriller featuring a brilliant and tortured FBI agent, the TAYLOR SAGE series is a riveting mystery, packed with non-stop action, suspense, twists and turns, revelations, and driven by a breakneck pace that will keep you flipping pages late into the night. Fans of Rachel Caine, Teresa Driscoll and Robert Dugoni are sure to fall in love. Future books in this series will be available soon! “I binge read this book. It hooked me in and didn't stop till the last few pages... I look forward to reading more!” —Reader review for *Found You* “I loved this book! Fast-

paced plot, great characters and interesting insights into investigating cold cases. I can't wait to read the next book!" —Reader review for Girl One: Murder "Very good book... You will feel like you are right there looking for the kidnapper! I know I will be reading more in this series!" —Reader review for Girl One: Murder "This is a very well written book and holds your interest from page 1... Definitely looking forward to reading the next one in the series, and hopefully others as well!" —Reader review for Girl One: Murder "Wow, I cannot wait for the next in this series. Starts with a bang and just keeps going." —Reader review for Girl One: Murder "Well written book with a

great plot, one that will keep you up at night. A page turner!" —Reader review for Girl One: Murder "A great suspense that keeps you reading... can't wait for the next in this series!" —Reader review for Found You "Sooo soo good! There are a few unforeseen twists... I binge read this like I binge watch Netflix. It just sucks you in." —Reader review for Found You **Blink** St. Martin's Press It's something most of us have sensed for years—the rise of a world defined only by "mine" and "now." A world where business shamelessly seeks the fastest reward, regardless of the long-term social consequences; where political leaders reflexively choose short-term fixes over

broad, sustainable social progress; where individuals feel increasingly exploited by a marketplace obsessed with our private cravings yet oblivious to our spiritual well-being or the larger needs of our families and communities. At the heart of *The Impulse Society* is an urgent, powerful story: how the pursuit of short-term self-gratification, once scorned as a sign of personal weakness, became the default principle not only for individuals, but for all sectors of our society. Drawing on the latest research in economics, psychology, political philosophy, and business management, Paul Roberts shows how a potent combination of rapidly advancing

technologies, corrupted ideologies, and bottom-line business ethics has pushed us across a threshold to an unprecedented state: a virtual merging of the market and the self. The result is a socioeconomic system ruled by impulse, by the reflexive, id-like drive for the largest, quickest, most “efficient” reward, without regard for long-term costs to ourselves or to broader society. More than thirty years ago, Christopher Lasch hinted at this bleak world in his landmark book, *The Culture of Narcissism*. In *The Impulse Society*, Roberts shows how that self-destructive pattern has grown so pervasive that anxiety and emptiness are

becoming embedded in our national character. Yet it is in this unease that Roberts finds clear signs of change-and broad revolt as millions of Americans try step off the self-defeating treadmill of gratification and restore a sense of balance. Fresh, vital, and free of ideological, right-wing/left-wing formulations, The Impulse Society shows the way back to a world of real and lasting good.

**Safe With Me** Simon and Schuster  
Offers real-life stories, items, and methods that allow for a deeper understanding of any issue, provide the power to use failure as a step toward success, and develop a habit of creating probing questions.

**The Millionaires**

Bookouture  
Thirteen years ago someone did something very bad to Anna. Now it's her turn to get even ... Anna lives a solitary existence, taking solace in order and routine. Her only friend is the lonely old lady next door. She doesn't like to let people to get too close - she knows how much damage they can do. Then one ordinary day Anna witnesses a devastating road accident and recognises the driver as Carla, the woman who ruined her life all those years ago. Now it's Anna's chance to set things straight but her revenge needs to be executed carefully ... First she needs to get to know Liam, the man injured in the accident. She needs to

follow the police investigation. She needs to watch Carla from the shadows... But as Anna's obsession with Carla escalates, her own secrets start to unravel. Is Carla really dangerous or does Anna need to worry about someone far closer to home? A compelling, gripping psychological thriller, perfect for fans of *The Girl on the Train* and *The Sister*. What everyone's saying about *SAFE WITH ME*: 'Holy Hell what a jaw dropper!.....Just need a moment to lift my jaw back off the floor, what a fantastic debut!' Chelle's Book Reviews 'A very clever psychological thriller that plays with your mind and makes you feel like you've stepped off the

waltzers at the fairground!' By the Letter Books 'A superb psychological thriller. Fast-paced and thoroughly gripping.' The Book Review Cafe 'Fast paced with plenty going on to keep a reader glued to their seat' *Strange Alliances* 'First let me say, just WOW. It has been a long time since I read a book this good. I was completely spellbound by this psychological thriller and could hardly put it down... *Safe With Me* went far beyond my expectations in every way ...There are so many secrets, backstories, and undercurrents, and this wonderful feeling of dread throughout, it is like nectar for the reader. I highly recommend this book for anyone who loves a

psychological thriller. I am looking forward to the next book from K.L. Slater. She has knocked this one out of the proverbial park' Shelf Knowledge 'Oh my gosh! What a belter of a debut! Safe With Me is totally brilliant' The Little Bookworm 'Sublimely dark and all-consuming, Slater has written a novel so gripping, so captivatingly exciting that I found myself shushing everyone and ignoring everything simply so I could carry on reading.' Becca's Books 'This one will keep you up at night, flipping the pages ...One word of caution, prepare to be surprised & shocked more than once.' First to Read 'Freakin' awesome...you need to start this book on a day when you have nothing

else to do, because believe me you will not want to put this down once you start it.' I Love Reading 'WOW, I'm going to have to catch up with the housework tomorrow because I have just spent the last two days devouring this jaw droppingly brilliant debut psychological thriller. 'Nicki's Life of Crime

**Blink** Candlewick Press Five friends meet. Only four come home. On Christmas morning, DS Robin Butler has no plans to celebrate. He'll be glad to get back to work - a wish that comes true sooner than he anticipates. A dog walker at a local beach has discovered five unresponsive people strewn across the shingle. By the time Robin arrives, one is pronounced dead,

and the other four are being treated in hospital. DC Freya West is less than pleased when the romantic day with her boyfriend is scuppered, but duty calls. As she and Butler speak to those involved, it's clear something is being left unsaid. They claim they are friends, and that they don't know how one of the group was killed. But why are they so cagey? A cold case investigation unlocks some answers about the history between the beach-going gang, yet they're tight-lipped about what prompted them to meet on Christmas Eve. Butler and West are getting nowhere, and their partnership is about to face another test. When Freya wants to come clean about

events in her past, it's not just her neck on the line, but Robin's too. Can their relationship survive if their pact of silence is broken? The thrilling new instalment from policing's most dauntless duo. Perfect for fans of Cara Hunter, Jane Casey and Susie Steiner. Praise for Blink of an Eye 'A thrilling and unusual mystery, spiced with sadness, masterfully unspooling past secrets into present danger. Butler and West would make high quality Sunday night network television.' Dominic Nolan, author of Vine Street 'Butler and West are fast becoming my favourite detective partnership... Addictive reading!' Alison Belsham, author of The Tattoo Thief 'The untangling of the long-

held web of lies from The Five was expertly done... the story telling seems so effortlessly easy, and before you know it, you're chapters in and can't stop.' Fliss Chester, author of A Dangerous Goodbye 'Blink of an Eye is a blindingly brilliant return to the Butler and West series, with a tight-knit and claustrophobic friendship group at the core of its mystery. The chemistry between detectives Freya and Robin is the absolute star of the show – the twists and turns of their partnership will leave you desperate for more. Cannot recommend this series enough!' Heather Critchlow 'I've just raced through Blink of an Eye and couldn't put it down. A Christmas Day body

found on a beach, and a suspicious group of old friends... What's not to love! Tense, brilliant plotting and the perfect duo.' Rachael Blok, author of The Fall 'A punchy and pacy police procedural with heart.' Jo Furniss, author of All The Little Children 'One of the best detective series there is. Smooth, thrilling and full of emotion, this series of books are a must-read!' James Delargy, author of Vanished 'Great characters and a compelling mystery. Highly recommend.'★★★★ Reader review 'Blink of an Eye, the fourth in Butler and West series, is one of the most intriguing British police procedurals published today.'★★★★ Reader review 'A solid mystery with a tangled web at

heart, perfectly crafted characters and a smart narrative. Both compelling and immersive.' [ ] [ ] [ ] [ ] Reader review 'So perfectly paced and boy do the jaw-dropping moments never cease. Superbly done.' [ ] [ ] [ ] [ ] Reader review

The Starlight Claim

#1 WALL STREET

JOURNAL BESTSELLER

\* NEW YORK TIMES

BESTSELLER New York

Times finance editor

David Enrich's

explosive exposé of the

most scandalous bank

in the world, revealing

its shadowy ties to

Donald Trump, Putin's

Russia, and Nazi

Germany "A jaw-

dropping financial

thriller" —Philadelphia

Inquirer On a rainy

Sunday in 2014, a

senior executive at

Deutsche Bank was found hanging in his London apartment. Bill Broeksmit had helped build the 150-year-old financial institution into a global colossus, and his sudden death was a mystery, made more so by the bank's efforts to deter investigation. Broeksmit, it turned out, was a man who knew too much. In *Dark Towers*, award-winning journalist David Enrich reveals the truth about Deutsche Bank and its epic path of devastation. Tracing the bank's history back to its propping up of a default-prone American developer in the 1880s, helping the Nazis build Auschwitz, and wooing Eastern Bloc authoritarians, he shows how in the 1990s, via a succession of hard-charging

executives, Deutsche made a fateful decision to pursue Wall Street riches, often at the expense of ethics and the law. Soon, the bank was manipulating markets, violating international sanctions to aid terrorist regimes, scamming investors, defrauding regulators, and laundering money for Russian oligarchs. Ever desperate for an American foothold, Deutsche also started doing business with a self-promoting real estate magnate nearly every other bank in the world deemed too dangerous to touch: Donald Trump. Over the next twenty years, Deutsche executives loaned billions to Trump, the Kushner family, and an array of scandal-tarred clients, including convicted sex

offender Jeffrey Epstein. Dark Towers is the never-before-told saga of how Deutsche Bank became the global face of financial recklessness and criminality—the corporate equivalent of a weapon of mass destruction. It is also the story of a man who was consumed by fear of what he'd seen at the bank—and his son's obsessive search for the secrets he kept.

*The Arrangement*  
Bookouture

How far would you go to protect your family? Single dad Ben is doing his best to raise his children, with the help of his devoted mother Judi. And then Ben meets Amber. Everyone thinks this is a perfect match for Ben but Judi isn't so sure... There's just something about

Amber that doesn't add up. Ben can't see why his mother dislikes his new girlfriend. And Amber doesn't want Judi anywhere near her new family. Amber just wants Ben and the children. The further Judi delves into Amber's personal life, the closer she gets to shocking secrets that could change everything. And Judi must make a decision that could lead to the most disastrous consequences. *Liar* is a compelling psychological thriller with a breathtaking twist that will keep you awake until the early hours. Perfect for fans of *Behind Closed Doors*, *The Girl Before* and *The Sister*.  
*The Burning Air*  
 HarperCollins  
 Fast-paced, evocative, and intensely

suspenseful, Tim Wynne-Jones's latest psychological thriller finds a teenager setting his wits against the frigid wilderness and a menacing crew of escapees. Four months after his best friend, Dodge, disappeared near their families' camp in a boat accident, Nate is still haunted by nightmares. He'd been planning to make the treacherous trek to the remote campsite with a friend — his first time in winter without his survival-savvy father. But when his friend gets grounded, Nate secretly decides to brave the trip solo in a journey that's half pilgrimage, half desperate hope he will find his missing friend when no one else could. What he doesn't expect to find is the

door to the cabin flung open and the camp occupied by strangers: three men he's horrified to realize have escaped from a maximum-security prison. Snowed in by a blizzard and with no cell signal, Nate is confronted with troubling memories of Dodge and a stunning family secret, and realizes that his survival now depends on his wits as much as his wilderness skills. As things spiral out of control, Nate finds himself dealing with questions even bigger than who gets to leave the camp alive.

**The Mistake** Hachette UK

When he's accidentally duplicated while teleporting, Joel Byram must outrun the most powerful corporation on the planet and find

a way back to his wife in a world that now has two of him. Dubbed the "next Ready, Player One," by former Warner Brothers President Greg Silverman, and now in film development at Lionsgate.

*In the Blink of an Eye* Simon and Schuster  
When Josh was four, a little girl named Rachel was kidnapped and never found. Twelve years later, Chatham Clairborne appears, apparently on the hunt for her runaway sister. But Josh suspects she is also tied to the mystery of Rachel. Josh falls for Chatham, but Chatham remains elusive. He can't tell if she's lying or not. But he's sure that once he finds out the truth about her, he will be able to unlock the mystery of Rachel's

disappearance—and find out who the true Chatham Clairborne is. But will he discover the truth in time? And does he really want to know what the truth is?

### **The Marriage**

Random House

"I read Virginia's novel in one sitting and was so captured by it I knew I had to make it and play Mrs. March. As a character, she is fascinating, complex, and deeply human and I can't wait to sink my teeth into her."

—Elisabeth Moss A

Jenny Lawson

"Fantastic Strangeling Book Club" Selection  
Oprah Daily • Best of the Month USA Today • Books Not to Miss Who is Mrs. March? George March's latest novel is a smash. No one could be prouder than his dutiful wife, Mrs. March, who revels in

his accolades. A careful creature of routine and decorum, she lives a precariously controlled existence on the Upper East Side until one morning, when the shopkeeper of her favorite patisserie suggests that her husband's latest protagonist—a detestable character named Johanna—is based on Mrs. March herself. Clutching her ostrich leather pocketbook and mint-colored gloves, she flees the shop. What could have merited this humiliation? That one casual remark robs Mrs. March of the belief that she knew everything about her husband—and herself—thus sending her on an increasingly paranoid journey that begins within the pages of a book. While

snooping in George's office, Mrs. March finds a newspaper clipping about a missing woman. Did George have anything to do with her disappearance? He's been going on a lot of "hunting trips" up north with his editor lately, leaving Mrs. March all alone at night with her tormented thoughts, and the cockroaches that have suddenly started to appear, and strange breathing noises . . . As she begins to decode her husband's secrets, her deafening anxiety and fierce determination threaten everyone in her wake—including her stoic housekeeper, Martha, and her unobtrusive son, Jonathan, whom she loves so profoundly, when she remembers

to love him at all. Combining a Hitchcockian sensibility with wickedly dark humor, Virginia Feito, a brilliantly talented and, at times, mischievous newcomer, offers a razor-sharp exploration of the fragility of identity. A mesmerizing novel of psychological suspense and casebook insecurity turned full-blown neurosis, Mrs. March will have you second-guessing your own seemingly familiar reflection in the mirror.

**The K.L. Slater Collection: Blink, The Visitor, Closer**  
Bookouture  
A #1 New York Times bestselling author and an Edgar Award winner team up to deliver this gripping new novel featuring investigator Kendra Michaels—whose

observational skills are worthy of a modern-day Sherlock Holmes. Delilah Winter is one of the hottest pop stars on the planet, so how in the world was she kidnapped right in the middle of a show at the famous Hollywood Bowl? If anyone can figure it out, it's Dr. Kendra Michaels, who works with local and federal authorities on only the most impossible cases. Blind for the first twenty years of her life until a revolutionary surgical procedure allowed her to regain her sight, Kendra uses her powers of observation—honed during her years in the dark—to detect what other investigators don't. She agrees to lead the race to rescue the young singer before time runs out.

Joined by Jessie Mercado, the singer's former bodyguard and a military hero, Kendra closes in on the hideout location but not before casualties mount up. Desperate for leads, Kendra must set aside her personal feelings when agent-for-hire Adam Lynch also volunteers his special skills to aid in the search. But as the abductor's true purpose becomes clear, the trio uncover a plot they never could have imagined—leading to a showdown they won't soon forget.

### **Blink of an Eye**

University of Pennsylvania Press  
 What if the person you love most in the world was in terrible danger ... because of you?

Stuffocation is a movement manifesto for “experiential” living, a call to arms to stop accumulating stuff and start accumulating experiences, and a road map for a new way forward with the potential to transform our lives. Reject materialism. Embrace experientialism. Live more with less. Stuffocation is one of the most pressing problems of the twenty-first century. We have more stuff than we could ever need, and it isn’t making us happier. It’s bad for the planet. It’s cluttering up our homes. It’s making us

stressed—and it might even be killing us. A rising number of us are already turning our backs on all-you-can-get consumption. We are choosing access over ownership, and taking our business to companies like Zipcar, Spotify, and Netflix. Fed up with materialism, we are ready for a new way forward. Trend forecaster James Wallman traces our obsession with stuff back to the original Mad Men, who first created desire through advertising. He interviews anthropologists studying the clutter crisis, economists searching for new ways of measuring progress, and psychologists who link stuffocation to declining well-being. And he introduces us

to the innovators who are already living more consciously and with more meaning by choosing experience over stuff.

Experientialism does not mean giving up all of our possessions. It is a solution that is less extreme but equally fundamental. It's about transforming what we value. *Stuffocation* is a paradigm-shifting look at our habits and an inspiring call for living more with less. It's the one important book you won't be able to live without. Praise for *Stuffocation* "The revelations come fast and furious as he asserts that acquiring 'stuff' is often just an easy way to ignore the tougher questions of life, dodging 'why am I here?' and 'how should I live?' for 'will that go with the top I bought

last week?' Tart and often funny . . . [Stuffocation] will be an eye-opener for those long ago persuaded that more is better. A scintillating read that will provoke conversation (or at least closet cleaning)." —Booklist "James Wallman deftly hits upon a major insight for our times: that acquiring 'stuff' and 'things' is not nearly as meaningful as collecting experiences. Some of the happiest days of my life were when I had nothing and lived on a houseboat. Without stuff to tie me down, I felt completely free." —Blake Mycoskie, founder of TOMS and author of the New York Times bestseller *Start Something That Matters* "A must-read . . . We think that more

stuff will make us happier, but as the book nicely shows, we're just plain wrong. A great mix of stories and science, *Stuffocation* reveals the downside of more, and what we can do about it."—Jonah Berger, author of the New York Times bestseller *Contagious* "Wallman offers a deeply important message by weaving contemporary social science into very engaging stories. Reading the book is such a pleasure that you hardly recognize you're being told that you should change how you live your life."—Barry Schwartz, author of *The Paradox of Choice* "With a sociologist's eye and a storyteller's ear, Wallman takes us on a tour of today's

experience economy from the perspective not of businesses, nor even of consumers per se, but of everyday people."—B. Joseph Pine II and James H. Gilmore, authors of *The Experience Economy*

**Mrs. March: A Novel**  
Thomas Nelson  
Two years ago, Paige Wilson watched helplessly as her brother Ryan was shot, right on her doorstep. He survived the attack, but never fully recovered from the trauma. Stuck in a wheelchair, Ryan refuses to accept the life of a paraplegic. His idea of fun is coming up with new ways to torment Paige, who has sacrificed her own happiness to care for him. He feels she's responsible for what happened to him that night, and he's

determined to make her life a living hell. Pushed to her limits, Paige wants to turn her back on her brother's abuse, but when she finally takes steps toward getting her life back, tragedy strikes. One minute she's walking toward her freedom, and the next she's on the run. A terrible crime has been committed and she could be in danger. She finds safety and a new life in the small town of Faypine, Maine. But someone knows her hiding place, and they are determined to use her secrets to tear her world apart. They will stop at nothing to get rid of her. This is a dark and disturbing page-turner that you won't be able to put down. \*This book was previously published under the titles The

Girl in the Rain and The Girl in the Storm.\*What readers are saying about Don't Blink:"I could not put the book down, It had a bunch of twists I did not see coming." "This is really one of those mind-bending emotional stories that makes you think about what you would do in the character's situation." "This book kept me on the edge of my seat the whole time." "It was one of those books you just can't stop thinking about." "This book was an emotional roller coaster." Dangerously Sleepy  
Bookouture  
A picture-perfect suburban life fractures . . . and a darker reality bubbles beneath the surface. Mona Ellison's life is as perfect as the porcelain dolls lined up

on her shelves. She has a successful husband, a loving son, a beautiful home, and a supportive group of girlfriends ever ready for their weekly wine night. But when Mona's son gets entangled with the wrong crowd and runs away from home, her blissful suburban world begins to unravel. She tells her friends that boys will be boys, that he'll be back as soon as his money runs dry . . . but deep down she knows there's something else going on. Then the police show up at Mona's door. A young girl has turned up dead in their quiet town, and her missing son is the prime suspect. Determined to reunite with her son and prove his innocence, Mona follows an increasingly cryptic trail of clues on

social media, uncovering a sinister side of suburbia and unveiling lies and betrayal from those she trusted most. And as Mona spirals further from her once cozy reality, a devastating revelation shatters everything she thought she knew. Now the only thing she's sure of is that she can't trust anyone . . . not even herself. With unrelenting psychological suspense and a wicked twist, *What They Don't Know* marries small-town thriller and domestic mystery—suburban paranoia at its best. Liar Grand Central Publishing
