The "must-have" book for loom knitters by the top expert on the subject is now updated to reflect the newer looms on the market. Like the previous edition this new edition still contains everything you need to know about loom knitting, like gauge, yarn thickness, increasing, decreasing, color work, different cast on and off methods, and more. Additionally, it includes Isela's precise and easy how-to instructions, now newly updated, for making basic stitches and variations, and for using all the different types of looms, round and long looms, currently in the market. The project section is also updated to include more specific information about the looms used, with a handy chart of all the looms, with their gauges, currently on the market. But what hasn't changed is the straightforward information and the need for this book, making it the one to have for all loom knitters. If you only purchase one loom knitting book, this is the one to get!

*50 Loom Knitted Stuffed Animal Pattern Collection* Martingale

This full color and fully illustrated book can be used by either a beginning or an experienced loom knitter. The animals in this book are quick and easy projects. They are made from a series of knitted tubes that are stuffed and assembled into charming animals. All the steps needed to produce each animal are carefully explained. The book is written for adults, but is suitable for children with adult help and supervision. Knitting instructions are provided for several dogs, cats, and rabbits. A pattern for a bear is included. Many of the animals can be made so that they can be posed. The crafter can select different kinds of yarn to get a completely different look for some of the animals. Smaller patterns yield animals that are a suitable size for pets for either 18" or for mini dolls.
