The Signature of Jesus challenges the gospel of "cheap grace" and calls the church to radical discipleship. With passion and boldness, author Brennan Manning invites readers to risk living life as Jesus lived—committed to simplicity, purity of heart, and obedience to the gospel. As a radical alternative this book is offered to Christians who want to live by faith and not by mere "religion," for those who recognize that many of the burning theological issues in the church today are neither burning nor theological; who see Christianity neither as a moral code or a belief system but as a love affair; who have not forgotten that they are followers of a crucified Christ; who know that following him means living dangerously; who want to live the gospel without compromise; who have no greater desire than to have his signature written on the pages of their lives. "Behold," Jesus proclaims, "I stand at the door and knock." You may have already met him at the door...but do you truly know him? Have you been transformed by His furious, passionate, unexplainable love? Join Brennan Manning, the bestselling author of *The Ragamuffin Gospel*, on a personal journey to experience Christ's love and live with His passion.

**Archenemies** Pantheon

Becoming a Made Man like his brothers was his destiny but never his passion. When he becomes the organizer of his family's successful illegal street races and one of their thrill-seeking drivers, he finally asserts his own path in the harsh mafia world. His purpose isn't the only thing Adamo discovers on the fuel-soaked roads he calls home...Dinara Mikhailov is the only female race driver and hard to ignore. Not only because of her flaming red hair and ruthless driving style, but also because the Bratva princess is allowed to drive in enemy territory. Soon Adamo and she find themselves entangled in a passionate game that goes beyond the race track. Yet, both haunted by events in the past, their dark cravings put everything on the line. As what they crave the most, comes with a brutal price.

Now a successful obstetrician in America, Josef has never forgotten the wife he believes died in the war. But in the Nazi ghetto of Terezín, Lenka survived, relying on her skills as an artist and the memories of a husband she would never see again. Now fully updated by the author, it is joined by a collection of essays that present the Naranjo's reassessment of Gestalt therapy for the present day. In his fascinating study Naranjo has captured the flavour and distinctive character of the California-based school of Gestalt therapy, propagated by Perls in his last years as a teacher and exemplar of the approach he pioneered. **The Revolution We Expected** Flatiron Books  
 BEST SELLER • A NEW YORK TIMES NOTABLE BOOK • Wise, funny, and heartbreaking, *Persepolis* is Marjane Satrapi's acclaimed graphic memoir of growing up in Iran during the Islamic Revolution. "A wholly original achievement.... Satrapi evokes herself and her schoolmates coming of age in a world of protests and disappearances.... A stark, shocking impact." —The New York Times: "The 50 Best Memoirs of the Past 50 Years" In powerful black-and-white comic strip images, Satrapi tells the coming-of-age story of her life in Tehran from ages six to

fourteen, years that saw the overthrow of the Shah's regime, the triumph of the Islamic Revolution, and the devastating effects of war with Iraq. The intelligent and outspoken only child of committed Marxists and the great-granddaughter of one of Iran's last emperors, Marjane bears witness to a childhood uniquely entwined with the history of her country. *Persepolis* paints an unforgettable portrait of daily life in Iran and of the bewildering contradictions between home life and public life. Marjane's child's-eye view of dethroned emperors, state-sanctioned whippings, and heroes of the revolution allows us to learn as she does the history of this fascinating country and of her own extraordinary family. Intensely personal, profoundly political, and wholly original, *Persepolis* is at once a story of growing up and a reminder of the human cost of war and political repression. It shows how we carry on, with laughter and tears, in the face of absurdity. And, finally, it introduces us to an irresistible little girl with whom we cannot help but fall in love.
